## **Summer Camp Nurse:**

**Summer-camp Nurse** Mary Lupton,1985    [Camp Nurse](#) Tilda Shalof,2010-05-04 The bestselling critically acclaimed author of *A Nurse's Story* and *The Making of a Nurse* is back to describe her experiences as a summer camp nurse. After years of working in intensive care units caring for critically ill people, nurse Tilda Shalof now turns her attention to healthy patients the kids at summer camp. In this reminiscence of six summers at a variety of camps, Shalof opens a window into the world that is a utopia for the vast majority of children the proverbial happy campers but sometimes also a place of intense misery for a few. Throughout the summers as kids troop through the infirmary with a variety of ordinary as well as some quite extraordinary complaints, Shalof describes how she assesses diagnoses and treats them all from pesky lice infestations and scratchy bug bites to broken arms and severe accidents. But Shalof finds that more often than not she is treating the psychological maladies. She befriends kids from families going through bitter divorces, girls with eating disorders, a camper who attempts suicide in a desperate plea to be sent home, a teenager grieving the recent death of his father. Whatever the problem or concern it is to the camp nurse that kids and counsellors go for help. These anecdotes are told in a light hearted tone full of good humour and lots of laughs. Shalof's stories are wildly entertaining and will satisfy the twinges of nostalgia every parent feels when sending their kids away to camp.
