Summer In Exile:

Women in Exile and Alienation Kaptan Singh,2016-06-22 Since World War II exile and alienation have become two of the most prominent themes in world literature Canadian and Indian literatures are no exception Modern human civilisation is passing through a terrible ordeal following on from the catastrophic consequences of two world wars and many people have been overwhelmed and overawed by the growth of science technology and urbanisation Alienation a feeling of not belonging has filled the life of modern man with uncertainties and disappointments obstructions and frustrations Indian and Canadian literatures are currently two of the most acclaimed forms of global literature with major themes including a search for identity a struggle for survival and self and social isolation and it is not surprising that female writers are major voices in both Indian and Canadian literature There is a heavy imbalance of power between two sexes in both cultures where men are considered to be domineering and the centre of the family while women are regarded as subordinate to men Women s suppression compels them to live in their self exiled and alienated world The works of Margaret Laurence and Anita Desai depict heart rending facts and bitter realities which women have to face in an emotionless modern society Since the patriarchal structure is prevalent in India and Canada women are categorised as second rate citizens and are treated as liabilities by their families due to a lack of financial power In the absence of any economic social emotional and financial support they also consider themselves inferior to men Time and again they revolt against the mechanical and merciless treatment of their family and society and sometimes they choose self exile as a safeguard against the callous and selfish treatment of their family members Their inner desire to revolt against an oppressive society and the prevailing cultural norm only increases their isolation In their works Laurence and Desai have unveiled the tortured psyche of sensitive women who are unable to share their feelings with others and are destined to live an emotionally deprived life

Émigrés and the Shaping of Postwar Culture: Studies in Memory of Lilian Furst (1931-2009) Julie Mell, Malachi Hacohen, 2018-10-08 This book is a printed edition of the Special Issue Between Religion and Ethnicity Twentieth Century Jewish migrants and the Shaping of Postwar Culture that was published in *Religions* **Arab Intellectuals and American Power** M.D. Walhout, 2020-10-01 Edward Said the famous Palestinian American scholar and activist was one of the twentieth century's most iconic public intellectuals whose pioneering and to some controversial work on Orientalism shaped Middle Eastern and postcolonial studies and beyond. But how exactly did he arrive at his famous maxim to speak truth to power? This dual biographical study examines the lives of Edward Said and the eminent Lebanese philosopher and diplomat Charles Malik, a distant relative 30 years his senior whom Said knew from childhood as Uncle Charles. To Said, Malik was no ordinary relative; in his memoir he called Malik the great negative intellectual lesson of my life and was to describe him as an ideal as I was growing up only to later claim that Malik went through an ugly transformation that I could never come to terms with. M.D. Walhout charts the development of these two remarkable figures reconstructing in the process the way in which American power in the Middle East came to have a defining effect on Arab intellectuals in the twentieth century. Exploring issues of religion and nationalism, Walhout shows how Said came to reject much of what Malik stood for: Christian faith, hardline anti-Communism, and the benign nature of American power. He argues that the example of Malik was instrumental in the development of Said's later belief that the true vocation of the intellectual was not to compromise with power but to resist it.

Summer in Exile Christina Sagnimeni, 2005-10 One summer Three months Twelve weeks Eighty four days Two thousand and sixteen hours. One summer can seem like an eternity when you're stuck someplace you don't want to be. Just ask me. My name is Jessica Annon, but you can call me Jessie. Jessie's behavior has been marginal at best for quite some time, but when Jessie's mom has to pick her up at the police station one night it's the last straw. Not knowing what else to do, Jessie's mom packs Jessie off for the summer to live with her LDS aunt, uncle, and five cousins in Texas. Now with no contact with the outside world except pen and paper letters, Jessie must spend the summer with a bunch of goodie-goodies. What a drag! Surely no good can come of it, right? Come spend the summer with Jessie as she meets new friends, discovers things about herself, and comes to a new realization about life and the gospel. *Summer in Exile* is an endearing and true-to-life journey of a young woman struggling to find her way in the world **The Post-Graduate**, 1899 **The Pen in Exile** Paul Tabori, 1956

Stalin's Master Narrative David Brandenberger, Mikhail V. Zelenov, 2019-03-26 A critical edition of the text that defined communist party ideology in Stalin's Soviet Union. *The Short Course on the History of the Communist Party of the Soviet Union* Bolsheviks defined Stalinist ideology both at home and abroad. It was quite literally the master narrative of the USSR, a hegemonic statement on history, politics, and Marxism-Leninism that scripted Soviet society for a generation. This study exposes the enormous role that Stalin played in the development of this all-important text as well as the unparalleled influence that he wielded over the Soviet historical imagination *Bookseller and the Stationery Trades' Journal*, 1882
