## **Summer Love:**

**Summer's Love Lyrics** Prashanth Shekar,2025-12-26 Summer's Love Lyrics is inspired by Adelaide Crapsey's Cinquain from her celebrated collection *Verse* yet it takes a bold step away from tradition venturing into new and uncharted terrain with modern reinterpretations. Each poem echoes the five line essence of the cinquain but with a unique twist: lines 1, 3, and 5 are expansive and expressive while lines 2 and 4 remain concise creating a rhythm that is both lyrical and contemplative, balancing brevity and depth. What makes this collection distinctive is its reversibility. The verses can be read from top to bottom or bottom to top, each direction revealing meanings that are at once parallel and contrasting. This interplay invites the reader to pause, reflect, and explore love's shifting shades and derive personal interpretations that feel both intimate and universal. The poems unfold as a seasonal metaphor: summer stands as the silent observer chronicling the blossoming of everlasting affection. Yet beyond the cycles of beginning and ending, one truth endures: the strength of true love is unyielding and eternal. *Summer's Love Lyrics* is a journey of passion and reflection, an exploration of love's fleeting phases and a revelation of its unwavering power that lingers forever in the human heart. *Your Own Song to Sing (Volume 2)*

Saverio, 2011-04-01 Writing has taken over my life in a good way. My thoughts continually are geared towards my next song. Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down. No matter where I am I get the urge to write. I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born. More than anything I love love love the peace of mind songwriting allows me to have. Most of my lyrics take me 15 to 30 minutes to write. There was a time when I was writing 6-8 lyrics in a day. Sometimes I would sit there and stare at my pencil asking why did you stop? I swear at times the pencil kept moving like I wasn't even thinking of what to write. This is my first edition. I hope to continue with future editions as I am still writing new songs everyday. Someday I hope to put my lyrics to my own music and I recently started taking piano lessons. Hey we all know life is a learning process a learning curve we need to experience the turns with the ride. I wish you all success with this book and look forward to seeing some of you with me when it comes to award times. **Merchant Vessels of the United States**, 1989
