## **Sun Body Art:**

**Sun Body Art** Aileen Marron, Halawa Henna, 1999      **Body art** Owen Jones, 2022-10-04 It could easily be argued that body art is more popular now than at any time in history. In days long gone by sailors were the most heavily tattooed sector of society but for decades now that sector is the youth which is a larger group than those who put to sea. Not only has actual tattooing found a wider demographic but technology has expanded the methods that can be employed to enhance our bodies. Nowadays for example you can get a fake tattoo that will last a couple of days for a special event. In a similar vein women can be body painted and the casual observer would be forgiven for not seeing a naked lady. I hope that you will find the information helpful, useful and profitable. It could easily be argued that body art is more popular than at any time in history. In days long gone by sailors were the most heavily tattooed sector of society but for decades now that sector is the youth which is a larger group than those who put to sea. Not only has actual tattooing found a wider demographic but technology has expanded the methods that can be employed to enhance our bodies. Nowadays for example you can get a fake tattoo that will last a couple of days for a special event. In a similar vein women can be body painted and the casual observer would be forgiven for not seeing a naked lady. This doesn't work so well for men for obvious reasons. You can also get fake tans, hair dyes and nail varnishes that can easily be applied at home. There are also teeth whitening, cheap wigs and coloured contact lenses available. Not to mention cheap sunglasses and fake glasses of numerous kinds. The ultimate form of body art is plastic surgery. Many ordinary people aspire to plastic cut tucks and nips these days. It is not only the privilege of the rich and famous. In fact some countries like Thailand offer holidays that include plastic surgery and other forms so that your friends will hardly recognise when you return from a month's holiday. In fact with all the options for body art available on a typical Western high street no one need look the same two days running. The information in this ebook on various aspects of body art and related subjects such as piercing, body painting and tattoos is organized into 18 chapters of about 500-600 words each. I hope that it will interest those who like to write a diary and blog or would like to plus webmasters who need content for their online publications. So as an added bonus I am granting you permission to use the content on your own website or in your own blogs and newsletter although it is better if you rewrite them in your own words first. PUBLISHER: TEKTIME      [Tattooing A Unique Body Art](#) Joshua Poulin, 2015-12-15 A new TATTOO is fun and exciting but it's a massive commitment. It may not seem like it at the time but getting a tattoo is a huge decision. You need to do some serious soul searching and educate yourself. Getting a TATTOO is an experience and obviously one that's going to follow you everywhere you go for the rest of your life. It's very important that you put a lot of thought into the design you want and the placement of your new tattoo. Make sure you know everything you need to know to make it something you are proud of and not something you regret. Here's TATTOOING A UNIQUE BODY ART a short glossary to help you get started. Study up on this; you can't make informed decisions if you have no idea what the experts are talking about.      [Dermatologic Complications](#)
