Sunderlies Seeking:

Sunderlies Seeking Gayle Greeno,1998 **Sunderlies Seeking** Gayle Greeno,1998-11-01 The Sunerlies home to convicts rebels and the unwanted refuse of society or so it has traditional been Even now it is a land where for the law abiding population the price of safety is eternal vigilance For Doyce s and Jenret s sixteen year old twins Jenneth and her brother Diccon the very name is a summons to exotic adventure So when Jenret proposes taking them and any friends who wish to make the journey along on a business trip to the Sunerlies the twins can hardly contain their excitement The only thing more thrilling is the newfound bond Jenneth has made with the ghatten Pw eek and Diccon with her sister ghatten Kwee Yet almost from the start the journey seems overshadowed with bad luck or evil intent Though Doyce newly retired from the position of Seeker General has come along in the hopes of restrengthening her emotional ties with her husband Jenret they seem to be caught in a kind of private war neither can control And before the party even sets sail accidents begin to occur First Doyce is thrown by her mount Next a campfire explosion menaces Jenneth Diccon and the other children Yet despite these ill omens they are determined not to turn back But the real disaster strikes at sea when a storm sweeps Jenneth and Pw eek overboard Desperate to find his lost twin Diccon has no way of knowing what the worst of all of them still lies ahead in the Sunerlies where a once vanquished and long vanished enemy waits a fanatic determined to eradicate Resonates and Seekers alike

Finders Seekers Gayle Greeno,1993-05-01 Their technological resources destroyed a colonizing expedition from Earth has been stranded on the world of Methuen for over two hundred years Their continued survival is largely due to the organization of healers known as the Eumedicos and to the Seekers Veritas a unique group composed of pairs of Bondmates one human and one ghatti a telepathic catlike being native to Methuen who bonds with a specific human for life These Bondmates travel from town to town settling disputes by truth reading the minds and emotions of plaintiffs and defendants While most people respect the Seekers there are those who fear the ghatti powers And now someone has begun attacking Seeker pairs What no one knows is that this destroyer has targeted one specific pair of Bondmates as special victims the woman Doyce and the ghatta Khar pern For the key to defeating this deadly foe is locked away in Doyce s mind behind barriers even her ghattas has never been able to break down

Mindspeakers' Call Gayle Greeno,1994-05-01 Return to the world of the truth discerning Seekers and their catlike companions the Ghatti in the thrilling second installment in The Ghatti s Tale series Mindstealers that is what the Gleaners a mutant strain of humans able to destroy the minds and souls of their fellows are known throughout Canderis it is a reputation that has been only too well earned by such Gleaners as Seeker Doyce Marbon s stepson Vesey who nearly succeeded in bringing down both the Seekers Veritas and the eumedicos the two organizations primarily responsible for the well being of the people of Canderis Having thus been made aware taht the Gleaners are secretly building their power the Seekers are sworn to find and put an end to this threat But Doyce s Bondmate the catlike ghatta called Khar has a much more personal mission to fulfill to break through the mind

barriers which Doyce created as protection against a terrifying attack by Vesey For although Vesey was defeated by Doyce and the united minds of eight ghatti Doyce has remained in shock for months trapped within her own mind s protective barriers But now the Seekers Veritas have need of her services once again and recovered or not she and Khar must join a mission to the neighboring realm of Marchmont For someone seems bent on creating dissension between Canderis and Marchmont And even the truth reading skills of the Seekers may not be enough to unravel the twisted threads of a conspiracy that could see Canderis and its neighbor hopelessly caught in a devastating war *Exiles' Return* Gayle Greeno,1995-05-01 The war is over between the neighboring realms of Canderis and Marchmont But another and perhaps far deadlier battle still rages on The discovery that Marchmont is home to the Resonants men and women gifted with the ability to read and control the minds of others has badly shaken the people of Canderis For while they value their own Seekers humans who empathically bond with the catlike ghatti to read truth they are deathly afraid of the rogue Resonants known as Gleaners And their fears are well founded for one faction of Gleaners has for years preyed upon the innocent and defenseless transforming those around them into mindless soulless slaves And even as Seeker Jenret under takes a mission to find the Resonants of Canderis and bring them to safety Seeker Doyce is about to embark on a far different path a ghatti led journey into the past For as a new vigilantes reign of terror threatens the lives of Seekers and Resonants alike the secrets of that long ago time when the first Seeker ghatti Bond was formed may hold the only hope for the future **Here Be Dragons** Stefan Ekman,Stefar Ekman,2013-02-19 First in depth study of the use of landscape in fantasy literature Winner of the Mythopoeic Scholarship Award for Myth and Fantasy Studies 2016 Fantasy worlds are never mere backdrops They are an integral part of the work and refuse to remain separate from other elements These worlds combine landscape with narrative logic by incorporating alternative rules about cause and effect or physical transformation They become actors in the drama interacting with the characters offering assistance or hindrance and making ethical demands In *Here Be Dragons* Stefan Ekman provides a wide ranging survey of the ubiquitous fantasy map as the point of departure for an in depth discussion of what such maps can tell us about what is important in the fictional worlds and the stories that take place there With particular focus on J R R Tolkien s *The Lord of the Rings* Ekman shows how fantasy settings deserve serious attention from both readers and critics Includes insightful readings of works by Steven Brust Garth Nix Robert Holdstock Terry Pratchett Charles de Lint China Mi ville Patricia McKillip Tim Powers Lisa Goldstein Steven R Donaldson Robert Jordan and Neil Gaiman and Charles Vess **What Do I Read Next?** Neil Barron,2005-10-21 By identifying similarities in various books this annual selection guide helps readers to independently choose titles of interest published in the last year Each entry describes a separate book listing everything readers need to know to make selections Arranged by author within six genre sections detailed entries provide Title Publisher and publication dateSeriesNames and descriptions of charactersTime period and geographical settingReview citationsStory typesBrief plot summarySelected other books by the authorSimilar books by
