**Sunflowers for Tina** Baldwin A N.,1967      **Consider the Sunflowers** Elma Schemenauer,      **The Girl in the Leaves**  
Robert Scott, Sarah Maynard, Larry Maynard, 2012-12-31 The shocking true crime story of one of the most bizarre mass murders ever recorded and the girl who escaped with her life In the fall of 2010 in the all American town of Apple Valley Ohio four people disappeared without a trace Stephanie Sprang her friend Tina Maynard and Tina s two children thirteen year old Sarah and eleven year old Kody Investigators began scouring the area yet despite an extensive search no signs of the missing people were discovered On the fourth day of the search evidence trickled in about neighborhood weirdo Matthew Hoffman A police SWAT team raided his home and found an extremely disturbing sight every square inch of the place was filled with leaves and a terrified Sarah Maynard was bound up in the middle of it like some sort of perverted autumn tableau But there was no trace of the others Then came Hoffman s confession to an unspeakable crime that went beyond murder and defied all reason His tale of evil would make Sarah s survival and rescue all the more astonishing a compelling tribute to a young girl s resilience and courage and to her fierce determination to reclaim her life in the wake of unimaginable trauma

*Sunflowers for Tina* Anne Norris Baldwin, 1970 A young New York City girl looks for some way to brighten up her bleak back yard and her grandmother s empty life      **Jenny's Revenge** Anne Norris Baldwin, 1974 SUMMARY A little girl decides to be very bad to gain some attention from her working mother      **Travel Like a Millionaire Without Being One** Sigrid Carter, 2018-11-21 Sigrid Carter s life story is worthy of becoming a movie This was true before she even turned thirty As an adventurous girl in her twenties she and three girlfriends from Germany trekked from Colorado to the Pacific coast of Panama where the group of friends took a canoe into the ocean got lost and found themselves surrounded by sharks just as bad weather set in Somehow they survived The tide carried them to the shores of Columbia where they spent time living with Indians Further into their exciting adventure they assisted biologists researching the Amazon rain forests The chief of that US expedition later became Sigrid s husband A Peruvian filmmaker did in fact turn the ordeal into a television movie but before the girls had the chance to see the movie they were already in Chile busy continuing the lives most of us can only imagine      **The Good and the Evil** Bradley Daniel Martin, 2009-06-11 Tina Miles woke up on the eve of her thirteenth birthday vowing this was going to be a day she would never forget she got more than she bargained for The one thing Tina really wanted was a ride on a roller coaster at the carnival that just pulled into town She got the ride of her life when she met up with a boy whose seemed very sweet but turned out to be very sour Tina then meets up with a bad fortune teller who seemed to know a awful lot more than she was saying and that s where the catastrophe begins Along the way we learn of an absentee father who has more of an affinity for the ladies than he has a love of being called dad We also learn how past mistakes can reach out and suddenly turn a very blessed occasion into something tragic The end of this story is a matter of death and life
