Karel Schelle

Talks With T G Masaryk:

Talks with T.G. Masaryk Tomáš Garrigue Masaryk, Karel Čapek, 1995 Translated by Dora Round Tomas Garrigue Masaryk 1850 1937 was a philosophy professor who became the founder and first president of Czechoslovakia 1918 1935 and was a leading figure in world affairs between the wars Čapek author of War with the Newts and Czechoslovakia's most prominent writer during these years interviewed Masaryk at great length and produced this volume that tells Masaryk's unique story *Conversations with T.G. Masaryk* Karel Čapek, 2014 [Speech of T. G. Masaryk](#) Tomáš Garrigue Masaryk, 1928 *T.G. Masaryk Revisited* Hanus J. Hajek, 1983 *Blood Inscriptions* Hillel J. Kieval, 2022-02-15 Although the Enlightenment had seemed to bring an end to the widely held belief that Jews murdered Christian children for ritual purposes charges of the so called blood libel were surprisingly widespread in central and eastern Europe on either side of the turn to the twentieth century Well over one hundred accusations were made against Jews in this period and prosecutors and government officials in Germany Austria Hungary and Russia broke with long established precedent to bring six of these cases forward in sensational public trials In *Blood Inscriptions* Hillel J Kieval examines four cases the prosecutions that took place at Tiszaeszlár in Hungary 1882 83 Xanten in Germany 1891 92 Pölz in Austrian Bohemia 1899 1900 and Konitz then Germany now in Poland 1900 1902 to consider the means by which discredited beliefs came to seem once again plausible Kieval explores how educated elites took up the accusations of Jewish ritual murder and considers the roles played by government bureaucracies the journalistic establishment forensic medicine and advanced legal practices in structuring the investigations and trials The prosecutors judges forensic scientists criminologists and academic scholars of Judaism and other expert witnesses all worked hard to establish their epistemological authority as rationalists Kieval contends Far from being a throwback to the Middle Ages these ritual murder trials were in all respects a product of post Enlightenment politics and culture Harnessed to and disciplined by the rhetoric of modernity they were able to proceed precisely because they were framed by the idioms of scientific discourse and rationality *Speech of T.G. Masaryk, President of the Czechoslovak Republic on the 10. Anniversary of the Attainment of the Country's Independence 28th October 1928* Tomáš Garrigue Masaryk, 1928 **Recalling Masaryk's The Czech Question**, 2023-02-13 This book presents T G Masaryk's efforts to shape the identity of a small nation in late the 19th and early 20th century It features contributions from leading Czech scholars who analyse Masaryk's efforts 120 years later Masaryk is considered the most important figure in modern Czech history Drawing on the ideas of his ideological predecessors and humanists he wanted to integrate the Czech nation into the family of advanced world nations in line with international intellectual trends Masaryk was the first in world history to fulfil the Platonic ideal of a philosopher who founded a state **From Peoples Into Nations** John Connolly, 2022-01-25 This book is a history of East Central Europe since the late eighteenth century the region of Europe between German central Europe and Russia in the East Connolly argues the region for which it is frequently hard to define exact boundaries and which is

sometimes treated country by country in a way seemingly separate from the broader trends of European history was one of shared experience despite most of the peoples being divided by linguistic geographic and political barriers Beginning in the 1780s an unwitting Habsburg monarch Joseph II decreed that his subjects would use only German as he hoped to mold a common nationality using German over the disparate subjects Instead he unleashed the energies and struggle for the emergence of new nations that pitted small peoples armed with an idea against empires The author argues that the underlying national self assertion which emerged under imperial rule in the eighteen and nineteenth centuries shows deep connections to subsequent histories to the creation of nation states of the regions after World War I the failure of democratic rule in these states during the interwar years the submersion of the region under Nazi then Soviet rule after 1939 and to the reinvention of sovereign states and then the break up of two of them after 1989 The book interconnects major themes and country histories for first time chronicling this diverse region over many generations from the time of Joseph through democratic and socialist revolutions genocide and Stalinism through civil society movements struggling for liberal democracy into our own day when illiberal politicians come to power by exploiting very old fears Praagse winter Madeleine

Albright, 2012-08-15 Madeleine Albright is in 1997 net benoemd tot minister van Buitenlandse Zaken van de VS als ze tot de ontdekking komt dat haar grootouders van vaderszijde Joods waren en zijn omgebracht in de Tweede Wereldoorlog Het is een grote schok haar ouders hebben dat deel van hun familiegeschiedenis altijd voor haar verzwegen De ontdekking is het begin van een zoektocht naar de wortels van haar familie maar ook naar de gecompliceerde geschiedenis van Tsjecho Slowakije het land waarin Albright de eerste jaren van haar leven opgroeide en dat haar familie bij het uitbreken van de oorlog is ontvlucht Haar jeugd bracht ze door in ballingschap eerst in Londen en later in de Verenigde Staten In Praagse winter doet Madeleine Albright verslag van de eerste twaalf jaar van haar leven De jaren 1937 1948 omvatten zowel de invasie van de nazi s in Praag en het begin van de Holocaust alsook het einde van het fascisme en de opkomst van het communisme in de jaren na de oorlog Ze laat zien hoe in deze perioden miljoenen burgers werden losgerukt uit hun vertrouwde omgeving en werden gedwongen om nieuwe rollen aan te nemen die van leider in ballingschap of vrijheidsstrijder verzetsheld of collaborateur slachtoffer of dader Tomáš Garrigue Masaryk Stanislav Polák, 1990

Masaryk on Thought and Life Tomáš G. Masaryk, 1938 Masaryk on Thought and Life Karel Čapek, 1938 Tjekkoslovakiets f rste pr sident Thomas Garrigue Masaryk 1850 1937 fort ller i interviewform om sine holdninger til filosofi religion og politik **T. G. Masaryk: Against the Current, 1882-1914** H Gordon Skilling, 1994-08-04 This study of T G Masaryk deals with his pre 1914 career as a professor and persistent dissenter For three decades he was a constant and unrelenting critic of conventional wisdom established institutions and customary practices in Bohemia and Austria Hungary At every stage he was a radical dissident in all questions of public life as well as in private matters religion the nationality problem the place of women labour and the social question parliament and government in the Monarchy its foreign affairs

and foreign policy institutions education the courts and legal system the Catholic Church and clericalism the university establishment Czech politics and Czech political parties the interpretations of Czech history and anti semitism

T.G.Masaryk (1850-1937) Harry Hanak,2016-01-13 Between the wars a personality cult grew around Masaryk These three volumes constitute the first balanced critical assessment of the actual achievement of the university professor who became the first president of Czechoslovakia In this the first volume scholars from Europe and North America offer new insights into the career and ideas of Masaryk during the three decades preceding the outbreak of World War I They appraise his role as critic of injustice and outworn tradition providing a most significant interpretation of his place in modern history
