If you're a non-union worker, you'll have to pay a union membership fee. This isn't like a dues fee for a club or a subscription fee for a magazine. It's a fee for a union membership, which gives you the right to join the union and vote on whether to join the union. If you don't want to join the union, you can still work for the company, but you won't be able to vote on whether to join the union.
