**American Nightmare American Dream** Suge Knight, 2003 Suge Knight the founder of Death Row Records the man at the center of the gangsta rap and hip hop explosion is a singular combination of showman businessman and Godfather and a natural born storyteller In American Nightmare American Dream he delivers the most candid unflinching and thoughtful account of his many lives American Nightmare chronicles the inspirational story of Suge Knight's emergence from the ghetto streets of Compton to become one of the most significant and controversial personalities in the music industry For the first time Knight publicly addresses such subjects as the deaths of Tupac Shakur and Biggie Smalls his notorious run ins with music executives and producers and countless provocative incidents involving former colleagues and friends including Snoop Dogg Dr Dre Vanilla Ice Berry Gordy Sean P Diddy Combs and Jennifer Lopez In harrowing detail he tells of the five years he spent behind bars the shock and sadness of arriving at a place that he already knew intimately from stories heard since childhood and the wisdom gained from being cut off from his former life American Nightmare is also the story of a uniquely self-made man The success of Death Row Records turned him into a multimillionaire who crossed impossible borders He counted himself a friend of John F Kennedy Jr and paid with hard time for his alleged association with known felons His style of doing business bringing the ghetto into the boardroom has inspired admiration and fear in equal measure Even as some in the music business profess to be afraid of him he is hailed as a hero in Compton for giving back to the community He has instituted programs for single parent families and children of incarcerated parents In American Nightmare he tells young people how terrible prison is how important it is to get an education and that there are more ways to get out of the ghetto than by being an athlete or a rapper Suge Knight wants them to dream about success and then make it happen Suge Knight's life story is a contemporary urban version of the American rags to riches saga It also uniquely illuminates the most important revolution in popular music of the past few decades the emergence of gangsta rap and hip hop into the mainstream With dead on humor and bracing candor Suge Knight pays tribute to the hard lessons of his past and offers a powerful answer to anyone who feels trapped by circumstances beyond their control the example of a life lived boldly *Tupac Amaru Shakur, 1971-1996*, 1998 The tragedy of Tupac is that his untimely passing is representative of too many young black men in this country If we had lost Oprah Winfrey at 25 we would have lost a relatively unknown local market TV anchorwoman If we had
