**The City of the Sultan ... Second Edition** Miss Pardoe (Julia),1854      *The Sultan and his subjects* Richard P. B. Davey,1897      **The city of the sultan; and domestic manners of the Turks, in 1836** Julia S H. Pardoe,1845      **The City of the Sultan, and Domestic Manners of the Turks** Miss Pardoe (Julia),1854      The Sultans Noel Barber,1973 The subject of this vast astonishing and brilliantly readable work of history is the bizarre story of the Ottoman Empire seen through the lives and actions of its sultans with their absolute power and terrifying cruelty their love of pomp and magnificence and their overwhelming venality and corruption The author describes the men the events the daily life the strange customs of Turkey s court from her emergence as a great power in the sixteenth century to the death of Kemal Ataturk who overthrew the Sultanate to establish a new and more modern form of tyranny This book is a unique and fascinating record of four centuries of glory debauchery splendor and cruelty from inside jacket flap      Splendors of the Ottoman Sultans Nurhan Atasoy,1992      **Tabakât-i Nâşırî** Minhâj Sirâj Jûzjânî,1881      THOUGHTS ON OTTOMAN PALACES IN ISTANBUL DENİZ ESEMENLİ ,2025-11-17 In this work which I have written based on my experience gained by seeing reading about and studying the architecture of the Topkap Palace Museum where I worked as an expert for 20 years you will find articles I have written both published and unpublished about the architectural formation and details of the palace which parallel the development of the Ottoman state and society This compilation which contains my personal thoughts and interpretations on the palace s institutional formation and its reflection in its architecture aims to understand its adaptation to Ottoman culture and politics in terms of the concept of absolutism and rationality as the administrative center and Imperial residence of the empire in the eyes of the sultan I hope that this attempt at interpretation based on my personal efforts and observations in the palace where I lived and worked and focusing particularly on the Harem quarters will be useful and consistent with future scientific findings In my articles which aim to critically examine the palace s architecture from a historical and artistic perspective rather than evaluating it as a museum with its countless works I have included the books articles and opinions of almost every traveler academic circle and individual as footnotes to my sentences entering into polemics with the work The book begins with an article providing general information about the architecture of Topkap Palace and continues with a study covering its state during the reign of Suleiman the Magnificent The Imperial Council and the Harem the chambers of the First Consort and the Princes the Tulips of the Palace under my leadership After the articles on Ottoman palace tents and the treasure of comfort in Ottoman palaces and on Harem architecture I wrote a Dolmabah e Palace article containing my comments on how classical architecture and lifestyle patterns were preserved as much as possible initially in wood and then adapted to European style stone Bosphorus palaces starting with Dolmabah e It concludes with articles on the dawns in palaces continuing with the work titled London and Ottoman Palaces which again compares European palaces with our palace tradition I hope you enjoy reading it The translation of this book made by the
