Summer Palace:

The Summer Palace Lawrence Watt-Evans, 2008-06-10 The final segment of the Annals of the Chosen trilogy successfully mixes intrigue and adventure with ruminations on the nature of power and heroes Publishers Weekly All of the world is kept in a delicate balance under the supervision of the Wizard Lord It is his duty to govern lightly and protect his domain but if he should stray from the way of the just then it is up to the Chosen to intercede The Chosen are the Leader the Seer the Swordsman the Beauty the Thief the Scholar the Archer and the Speaker magically infused mortal individuals who for the term of their service have only one function to remove an errant Wizard Lord But the new Wizard Lord has now changed the playing field by neutralizing all magic in his domain both his own and that of the Chosen and has successfully killed and or blocked his adversaries and their challenges to his omnipotence Sword now on the run must work alone to restore order to their fair land and unravel the mystery of the Ninth Talisman which might be the salvation or downfall of all that is good in their well ordered land A satisfying and at times surprising conclusion to Watt Evans s trilogy This latest tale of bravery by a master of the sword and sorcery genre demonstrates his skill as raconteur Library Journal
