Summer Reading:

Summer Reading Richard L. Allington, Anne McGill-Franzen, 2018 *Successful Summer Reading Programs for All Ages* Katie Fitzgerald, 2018-03-01 The summer reading program is the focal point of a children's librarian's year requiring countless hours of preparation and nearly year-round promotion. Summer reading programs for teens and adults are also offered in many communities adding to that workload and bringing together librarians from different departments to accomplish the required tasks. In a single volume *Successful Summer Reading Programs for All Ages: A Practical Guide for Librarians* provides the tools necessary to put together successful summer reading programs for each of these different age groups. Key elements include: Sample program ideas for early childhood, school age, teen, and adult readers to suit any summer reading theme; Best practices for promoting summer reading to the community; Troubleshooting for common difficulties associated with summer reading programs; Tips and tricks for using software programs to manage registration and track readers' progress. Public librarians serving children, teens, and/or adults will find everything they need to put together a successful summer reading program in this comprehensive handbook. **Sizzling Summer Reading Programs for Young Adults** Katharine L. Kan, 2006-01-02 Offers over fifty ideas to promote young adult reading including such theme programs as crime scene investigation, poetry workshops, readings combined with field trips, and cross-cultural events featuring henna tattooing and food. *Handbook of Research on Children's and Young Adult Literature* Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This landmark volume is the first to bring together leading scholarship on children's and young adult literature from three intersecting disciplines: Education, English, and Library and Information Science. Distinguished by its multidisciplinary approach, it describes and analyzes the different aspects of literary reading texts and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children's literature. Part one considers perspectives on readers and reading literature in home, school, library, and community settings. Part two introduces analytic frames for studying young adult novels, picturebooks, indigenous literature, graphic novels, and other genres. Chapters include commentary on literary experiences and creative production from renowned authors and illustrators. Part three focuses on the social contexts of literary study with chapters on censorship, awards, marketing, and literary museums. The singular contribution of this Handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds, thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory. *The Summer Book (Movie Tie-In Edition)* Tove Jansson, 2025-09-09 Now a major motion picture starring Glenn Close and directed by Charlie McDowell. In *The Summer Book*, Tove Jansson distills the essence of the summer, its sunlight and storms, into twenty-two crystalline vignettes. This brief novel tells the story of Sophia, a six-year-old girl awakening to existence, and Sophia's grandmother nearing the end of hers as they spend the summer on a tiny unspoiled island in the Gulf of Finland. The grandmother is unsentimental and wise if a little cranky. Sophia is impetuous.

and volatile but she tends to her grandmother with the care of a new parent Together they amble over coastline and forest in easy companionship build boats from bark create a miniature Venice write a fanciful study of local bugs They discuss things that matter to young and old alike life death the nature of God and of love On an island thinks the grandmother everything is complete In *The Summer Book* Jansson creates her own complete world full of the varied joys and sorrows of life Tove Jansson whose Moomintroll comic strip and books brought her international acclaim lived for much of her life on an island like the one described in *The Summer Book* and the work can be enjoyed as her closely observed journal of the sounds sights and feel of a summer spent in intimate contact with the natural world *The Summer Book* is translated from the Swedish by Thomas Teal **The Chap-book** Herbert Stuart Stone,1897 The Book Buyer ,1892 A review and record of current literature **Printer and Bookmaker** John Clyde Oswald,Edmund Geiger Gress,1888 **Reading Programs that Work** ,1975 **The Public Schools Year Book** ,1890 Publishers' Weekly ,1877 The Chautauquan ,1894 *Mission Studies* ,1899 **The Nation** ,1886 **Catalogue and Course of Study of the Rock Island High School** Rock Island (Ill.).
