Garin,2011-08-02 I know that I ll be evaluated in Seattle with wins and losses as that is the nature of my profession for the last thirty five years But our record will not be what motivates me Years ago I was asked Pete which is better winning or competing My response was instantaneous Competing because it lasts longer Pete Carroll is one of the most successful coaches in football today As the head coach at USC he brought the Trojans back to national prominence amassing a 97 19 record over nine seasons Now he shares the championship winning philosophy that led USC to seven straight Pac 10 titles This same mind set and culture will shape his program as he returns to the NFL to coach the Seattle Seahawks Carroll developed his unique coaching style by trial and error over his career He learned that you get better results by teaching instead of screaming and by helping players grow as people not just on the field He learned that an upbeat energetic atmosphere in the locker room can coexist with an unstoppable competitive drive He learned why you should stop worrying about your opponents why you should always act as if the whole world is watching and many other contrarian insights Carroll shows us how the Win Forever philosophy really works both in NCAA Division I competition and in the NFL He reveals how his recruiting strategies training routines and game day rituals preserve a team s culture year after year during championship seasons and disappointing seasons alike Win Forever is about more than winning football games it s about maximizing your potential in every aspect of your life Carroll has taught business leaders facing tough challenges He has helped troubled kids on the streets of Los Angeles through his foundation A Better LA His words are true in any situation If you want to win forever always compete [The Invisible Ache](#) Courtney B. The Right Kind of Heroes

Kevin Horrigan,1993 East St Louis Illinois is arguably the most dangerous and desolate city in America perhaps our starker example of urban collapse With the nation s highest murder rate it s a city in which half of the 41 000 residents are unemployed and 75 percent receive public assistance In a city where most young men wind up on the streets in jail or dead the high school football coach has sent dozens of his players on to college on football scholarships He has done it with hard work and absolute dedication to virtues that went out of style in East St Louis decades ago He s done it by refusing to desert boys who need his attention and discipline If I don t care about

them who will he asks This is the story of Coach Bob Shannon and the East St Louis Flyers It is a true story about a coach who won t give up and a team that has beaten all the odds Author Kevin Horrigan former sports editor of the St Louis Post Dispatch tells this story by focusing on two heartstopping seasons 1990 when the Flyers lost the state championship and 1991 when they won it back He tells it from up close We are there on the bench with the boys and their coach for every game We follow them into the pitiful excuse for a locker room to hear the coach s credo firsthand Get it done No water for the sinks the toilets the urinals Try upstairs No toilet paper Bring your own No money for new uniforms Wear the old ones until they are rags Get it done Just get the job done Coach Shannon has gotten the job done right for twenty three years In his fifteen seasons as East St Louis High s head coach the Flyers have won 152 of 173 games and the state championship six times The Sporting News has named Shannon the High School Coach of the Year five times This is the story of the kind of battle being waged at the core of many American cities the power of human pride pitted against the power of poverty In East St Louis pride is winning inch by inch with a coach and his team carrying the flag **Parents' Magazine & Better Homemaking**, 1945 America s 1 family magazine **Proceedings of the United States Naval Institute** United States Naval Institute, 1980 **Jewish Frontier**, 1952 **International Television & Video Almanac**, 2007 *Hans Otto Storm, 1895-1941* Mason Smith, 1973
