Methodist Worship R. Matthew Sigler, 2018-07-04 What makes Methodist worship Methodist or Wesleyan How do Methodists evaluate emerging forms of worship in light of their own liturgical heritage This book considers these questions by bringing to light the work and significance of three Methodist liturgists who have until now received precious little scholarly focus Thomas O Summers 1812 1882 Nolan B Harmon 1892 1993 and James F White 1932 2004 Exploring each one s contribution to the Methodist movement it evaluates their continuing legacies as scholars and practitioners of Methodist worship Importantly the work of all these men occurred during times of cultural change which gave rise to new ways of worship within the landscape of American Methodism Addressing them in chronological order this study shows how each figure enacted liturgical reform and renewal by drawing from the liturgical textual tradition inherited directly from John Wesley s Sunday Service of the Methodist in North America as well as the hymnody of Charles Wesley It also demonstrates how they sought to inculturate the Wesleyan liturgical tradition in the midst of these significant changes Evaluating historic and emerging trends in Methodist liturgical praxis this is a book that will be of great interest to scholars of Methodism the History of Religion Liturgical Studies and Theology

The Forget-Me-Not Summer Leila Howland, 2015-05-05 The real life dynamics between the sisters is humorous and touching This heartwarming story is hard to put down School Library Journal Twelve year old Marigold Silver is hoping to get her first kiss from her big crush this summer and get her acting career rolling in Los Angeles But her plan comes crashing down when her parents send her to Cape Cod along with her sisters Zinnia and little Lily to visit their Aunt Sunny Now these LA girls are stuck in a small town in Massachusetts and they have to adjust to things like sharing a room and living without a

TV There isn't even cellphone service With the help of Aunt Sunny's cheery disposition and her yummy brownies though the girls are won over and before they know it they're cracking lobster shells at clambakes making new friends and even organizing a local talent show But after a Hollywood celebrity arrives in town Marigold is soon going to face a tough decision Full of moments both humorous and reflective *The Forget Me Not Summer* is about three girls facing their fears adjusting to change and learning how to band together as the strongest version of themselves sisters Reminiscent of the *Penderwicks* series a book that might well become a favorite Booklist starred review [Mediterranean Climate Phenomena](#) Hendrik Bergers, 2014-08-05 Seminar paper from the year 2013 in the subject Geography Earth Science Meteorology Aeronomy Climatology grade 85% Ruhr University of Bochum language English abstract The Mediterranean Sea is an almost enclosed basin with a coverage of 4000 km in west east and 1200 km in north south direction Many European North African and Middle Eastern states abut on this ocean and are massively influenced by it The Mediterranean can be denoted as a cutting point between subtropical and humid climate and is influenced by both of them This and the Mediterranean Sea lead to a very specific and individual climate around this basin In this paper the leading factors of the climate conditions are revealed which include references to global atmospheric circulations regional climate patterns and micro scale descriptions of specific phenomena in the Mediterranean Therefore I refer to different scientific articles and mainly to two specific Mediterranean monographs Branigan Bolle Because of the introducing character of this paper most phenomena are explained in a more general way and do not have reference to direct climate data More detailed knowledge and data basis can be taken by the references and footnotes [The Friend](#), 1879 **No Season but the Summer** Matilda Leyser, 2023-04-13 Spring and summer are my mother's time autumn and winter are my husband's What is left for me Persephone spends six months of the year under the ground with her husband king of the dead and six months on earth with her mother goddess of the harvest It has been this way for nine thousand years since the deal was struck But when she resurfaces this spring something is different Rains lash the land crops grow out of season or not at all there are people trying to build a road through the woods and her mother does not seem able to stop them The natural world is changing rapidly and even the gods have lost control While Demeter tries to regain her powers and fend off her daughter's husband who wants to drag his queen back underground for good Persephone finally gets a taste of freedom joining a group of protestors Used to blinking up at the world from below as she looks down on the earth for the very first time from the treetops with activist Snow Persephone realises that there are choices she can make for herself But what will these choices mean for her mother her husband and for the new shoots of life inside her *No Season but the Summer* takes a classic myth and turns it on its head asking what will happen when our oldest stories fail us when all the rules have changed It is above all a book about choice
