**The Advent of Sun Myung Moon** G. Chryssides, 1991-04-05 The Unification Church popularly known as the Moonies has been viewed as an eccentric and somewhat sinister cult best known for the mass wedding ceremonies conducted by its leader Sun Myung Moon In *The Advent of Sun Myung Moon* George Chryssides remains critical of the movement but brings the reader out of uninformed prejudice by presenting information about its Korean origins its teachings and the many ceremonies which until recently remained undisclosed The book is based on extensive conversations with members and critics alike together with extended periods spent at UC seminars *Sermons of the Reverend Sun Myung Moon* Sun Myung Moon, 2020-04-02 The basic theology of the Unification Movement and the essential teaching of Reverend Sun Myung Moon and Dr Hak Ja Han Moon The Divine Principle reveals provocative new insight into God's principles of the created world the deeper nature of the Fall the nature of salvation the mission of Jesus and the Second Coming of Christ **Sun Myung Moon & the Unification Church** James Bjornstad, 1984 A careful look at the history theology and claims of the Moonies In the Cult Booklets series **The Advent of Sun Myung Moon** George D. Chryssides, 1991 In writing any account of someone else's religious beliefs and practices any author must find himself between two poles what members of the religion wish to tell and what the public wishes to know Nowhere are these polarities more distant than in the field of new religions The public wishes to know about recruitment brainwashing and fundraising within the Unification Church while the authors discussion with UC members elicited far more material on their own inner spiritual life After consideration the author has concluded that a common meeting ground is simply not possible and that any book including this one has to be a compromise *A Remarkable Journey* Jonathan Gullery, 2018-05-02 A chronological overview of the Reverend Sun Myung Moon Dr Hak Ja Han Moon and the Unification Church From its beginnings in war ravaged Korea to its current global activities this photographic record recounts key events in this movement's history *To Bigotry, No Sanction* Mose Durst, 1984 **Sun Myung Moon and the Unification Church** Frederick Sontag, 1977 *The Moon is Not the Son* James Bjornstad, 1976 *The Puppet Master* J. Isamu Yamamoto, 1977 *The Unification Church of Sun Myung Moon* James Newton Lewis, 1978 *The Rising of the Moon* John Allan, 1980 **As a Peace-Loving Global Citizen** Family Federation for World Peace and Unification Australia, Sun Myung Moon, 2011 **Science, Sin, and Scholarship** Irving Louis Horowitz, 1978 **A Kingdom of the Truth or Deception?** David K. Hebert Th.D., 2024-12-18 This book has been the culmination of over forty years of study on the concept of defending the Christian faith against false religions and cults that oppose that faith by exposing them Since 2007 the study took on a more academic researched scholarly tone while writing one chapter in the doctoral work It was during that time frame that studying the false religions and cults took on a more focused biblical historical and Christian orthodox direction So the foundation of this book uses the Parable of the Wheat and the Weeds Tares in Matthew 13 24 30 36 43 and a clear understanding of the core orthodox Christian beliefs as the standard for Christians to

compare the kingdom of God versus the kingdom of darkness and God's truth versus Satan's lies error throughout biblical history from the Garden of Eden to the present day especially as the day of Jesus Christ's return so rapidly approaches

**Messiah** Bo Hi Pak, 2000 *Messiah My Testimony* to Rev Sun Myung Moon is an autobiographical account of Dr Bo Hi Pak's forty year association with the founder of the Unification Movement Dr Pak is a former South Korean diplomat who is the principal assistant and translator to Rev Moon This personal testimony thoughtfully describes the motivations behind the scenes activities and inner workings of the Unification Movement Volume II covers the years 1978-2002 [Introduction to New and Alternative Religions in America](#) William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more misunderstanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith's legitimacy beliefs methods of conversion and other facets of a religious movement's viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 *History and Controversies* discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 *Jewish and Christian Traditions* explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People's Temple the Branch Davidians Jehovah's Witnesses and others are examined Volume 3 *Metaphysical New Age and Neopagan Movements* looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 *Asian Traditions* focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha'i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 *African Diaspora Traditions and Other American Innovations* examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam

alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven's Gate. Some of the new and alternative religions covered in these pages include Shamanism, Wicca, Black Israelites, Santeria, Scientology, Elan Vital, Hare Krishna, Soka Gakkai and many more.

Light of Glory Linna Rapkins, 2018-05-09. Light of Glory is a collection of fictional stories that follow the lives of True Parents, the Rev. Dr. Sun Myung Moon and his wife Dr. Hak Ja Han Moon, the founders of the Unification Church. Though these stories are not factual, they represent the spirit and experiences of True Parents in their youth. The book is written in four parts, with each part referring to True Parents by both their birth names, Sun Myung Moon and Hak Ja Han, and by their respective titles as they changed throughout their lives. The four parts are: Part 1: The Early Years; Part 2: Sun Myung Moon Begins His Ministry; Part 3: The Early Days of the Unification Movement; Part 4: Our True Parents. True Father was called Sun Myung Moon or just Mr. Moon in his early years, into adulthood, and then later called Teacher Moon when he began his ministry in the 1950s in North Korea. Unificationists have since called him True Father, and his wife True Mother. Eventually, together, they came to be known as True Parents. The decision to re-release Light of Glory was made to introduce the heart of True Parents to a new generation of readers in light of their ongoing ministry.

'Cult Wars' in Historical Perspective Eugene V. Gallagher, 2016-07-01. Cult Wars in Historical Perspective provides a broad characterization of the shifting religious contours over the past several decades. Offering an assessment of several important topics in the study of new religions, this book explores developments in well-known groups such as the Unification movement, The Family International, Children of God, the International Society for Krishna Consciousness (ISKCON), and the Church of Scientology. Bringing together both insiders and outsiders from various academic disciplines and personal perspectives, this book takes account of the ways in which the cult question is defined and addressed in different countries. It offers a vivid depiction of how the cult wars or cult controversies of the late twentieth and early twenty-first centuries first took shape, the transformation of deeply entrenched positions on cults and sects as at least some members of new groups, cult watchers, and academics entered into serious and sustained conversations about topics of mutual concern, the shifting foci and concerns of the general public, law enforcement, and the courts, and academics in various countries, and the complex histories of individual groups in which many dramatic transformations have occurred despite their comparatively short life spans.
