## **Sunlight On Your Doorstep The Minneapolis:**

*Sunlight on Your Doorstep* Bradley L. Morison, 1966      **Newspapers on the Minnesota Frontier, 1849-1860** George Hage, 2004-03 Minnesota Territory's earliest publications in St Paul and St Anthony now Minneapolis were known for their vigorous expression of strong minded opinion. This lively account of old style journalism examines the emergence of daily papers and some 100 English and foreign language weeklies in the communities beyond the Twin Cities including the Emigrant Aid Journal of Nininger the Chatfield Democrat the Winona Republican and early St Cloud newspapers. Finally author George Hage explores the rise of the state's large metropolitan dailies and the people issues and politics that affected their growth. An appendix lists the papers published in Minnesota from 1849 to 1860

**Writing the Wrongs** Elizabeth Faue, 2004-12 Eva McDonald Valesh was one of the Progressive Era's foremost labor publicists. Challenging the narrow confines placed on women Valesh became a successful investigative journalist organizer and public speaker for labor reform. Valesh was a compatriot of the labor leaders of her day and the right hand man of Samuel Gompers president of the American Federation of Labor. Events she covered during her colorful unconventional reporting career included the Populist revolt the Cuban crisis of the 1890s and the 1910 Shirtwaistmakers uprising. She was described as bright even comet like by her admirers but her enemies saw her as a pest who took all the benefit that her sex controls when in argument with a man. Elizabeth Faue examines the pivotal events that transformed this outspoken daughter of a working class Scots Irish family into a national political figure interweaving the study of one woman's fascinating life with insightful analysis of the changing character of American labor reform during the period from 1880 to 1920. In her journey through the worlds of labor journalism and politics Faue lays bare the underside of social reform and reveals how front line workers in labor's political culture reporters investigators and lecturers provoked and informed American society by writing about social wrongs. Compelling, insightful and at times humorous *Writing the Wrongs* is a window on the Progressive Era on social history and the new journalism and on women's lives and the meanings of class and gender
