the UK and she definitely did it justice and I fell in Love with a brilliant read and found a absolutely amazing author that has become one of my top ten This is definitely a series you want to read Claire 5 star review Every now and then you re faced with a book that makes you think of how little sleep you actually need to function the next morning for me part four of the Beckoned series is that book I haven t been quiet about how much I love Angela s story up until this point and just when I think Aviva Vaughn has reached max potential the next book in the series blows me away even more Felicia 5 star review The wholestory series has been fascinating and captivating with Ms Vaughn upping the ante with each instalment each book slightly eclipsing the last I was enthralled through each and every book in a way I never expected to be going into this series Angela 5 star review All I can say is that I loved how everything came together in the end even though I did not expect this at all Be prepared for some emotional scenes that may draw out the ugly cry Aviva has definitely stepped it up in this part of the series I highly recommend this great series Michelle 5 star review Somehow I love each new book more than the last This story is romantic charming touching and heart wrenching I completely devoured this book in one sitting I just love these characters so much Each time I start a book by Aviva I have to prepare myself for the emotional story I know will take place Kaitlyn 5 star review Wow What an amazing conclusion to Angela s story There are hardly words to describe how beautifully Aviva Vaughn describes every bit of scenery life and the people in these books She weaves a heart clenching ending to a wonderful story Do yourself a favor and read the entire series This book lends a certain theme that really stuck with me and while I won t say what that is I found it to be just what Angela needed in her life to be truly happy as well as something I really needed to read This book is so much more than a romance book it really teaches you about doing what makes you happy and love your life Angela is truly a character I feel many women could look up to and respect Many thanks to Aviva Vaughn for sharing this story with the world LOVED IT FIVE STARS Emily 5 star review I find it so hard to write a review about this series because I just want to shout out about everything that happens Yet at the same time I don t because everyone needs to experience it for themselves to get the full effect of these stories There has never been a point during all these books that I could honestly say I knew what was going to happen This series will grip you and take you on such a journey that you will not be able to atop reading until like me you have devoured them all I cannot recommend this series highly enough Kerry 5 star review FROM THE AUTHOR Dearest Reader I wrote BECKONED for many reasons but first and foremost I wrote it to feature the kind of people I know diverse smart complicated men and women My heroines are strong and educated and my heroes are polite and respectful As an avid reader I wanted to see characters that looked like me and my friends and reflect the world I want to see I also wanted to write a beautiful book I consider BECKONED to be a modern story told in an old fashion way with lots of metaphors and beautiful phrases and where the sex is explicit but also elegant So if you are a Word Nerd like me then you will love BECKONED If you choose to embark on this journey with me you and your taste buds will get to visit London Barcelona Bath Los Angeles Honolulu Costa Rica New Zealand and Copenhagen It will be a

fun and delicious ride There are even recipes in some of the books as well as soundtracks to give you a multi sensory experience BECKONED is a single story in six parts and should be read in order The intimacy is steamy but it is slooooooow burn and is distributed throughout the books because of how the couples relationships change and deepen Birthing BECKONED has truly been a labor of love and I hope you enjoy reading it as much as I enjoyed writing it BUCKLE UP and enjoy the journey Wishing you love and romance Aviva *The Highlander's Bride* Michele Sinclair,2007-06-01 First in the series set in medieval Scotland by the award winning author Sensual and humorous a winning combination that everyone can enjoy Hannah Howell New York Times bestselling author Bound by Duty Highland laird Conor McTiernay had always dreamed of an enduring love But the reality of women who desired him only for his title and lands made him swear off marriage forever That is until he first set eyes on the Englishwoman his men found hiding in the forest Beneath the dirt and grime it was clear Laurel Cordell was beautiful But would she prove to be yet another beguiling seductress or had Conor finally found the one woman who could lay claim to his heart Drawn by Desire Laurel trusted that the Scottish chieftain would keep her safe from the cruel laird from whom she had escaped Looking deep into Conor s silver eyes she saw not only his calculating warrior ways but his quick arousal to passion But before they could explore the growing desire between them their newfound love would be threatened by secrets from her past A little gem of love and innocence a story of two people learning to believe and trust in the miracle of love Fresh Fiction Debut author Sinclair shows great potential at crafting rapid fire verbal repartee and endearing characters RT Book Reviews An emotionally charged engrossing read Historical romance fans are in for a treat with this page turner and will be left anticipating Sinclair s next novel Romance Junkies **The Sunset** ,1898 **Early Reno** ,2011 By the early 1900s Reno known as the Biggest Little City was the state s financial and industrial center and was famous as a place where one could do things that were difficult to do anywhere else Original
