*Land in the American West* William G. Robbins,James C. Foster,2011-12-01 Throughout the history of the United States the concepts of land and the West have fired the American imagination and fueled controversy The essays in Land in the American West deal with complex troublesome and interrelated questions regarding land Who owns it Who has access to it What happens when private rights infringe upon the public good or when one ethnic group is pitted against another or when there is a conflict between economic and environmental values Many of these questions have deep historical roots They all have special significance in the modern American West where natural

resources are still abundant and large areas of land are federally owned      *California Aquatic Farming* ,1993      *Fat Chance* Joan Cortopassi,Annette Cain,1996      *California Design, 1930-1965 Living In a Modern Way* Wendy Kaplan,2011
