**Behind the Gates of Gomorrah** Stephen Seager, 2014-09-16 Seager was no stranger to locked psych wards when he accepted a job at California's Gorman State hospital known locally as Gomorrah but nothing could have prepared him for what he encountered when he stepped through its gates Unit C where Seager was assigned was reserved for the mass murderers serial killers and the real life Hannibal Lecters of the world This account of his rookie year blends memoir with a narrative science explaining both the aberrant mind and his own determination to remain in a job with a perilously steep learning curve

**Behind the Gates of Gomorrah** Stephen Seager, 2018-01-02 An extraordinary eye opening look behind the razor wire into life inside the walls of one of the most notorious hospitals for the criminally insane a hellish world inhabited by mass murderers serial killers and other figures from our nightmares High Yellow...But a Black Woman Forever More! Deborah Cofer, 2006-09 Boy has this been one heck of a spiritual journey Little did I know that the path leading to the Kingdom of God would take me into and through the bowels of hell but I made it there and back All I can say is thank God for God His goodness grace and mercy From the Introduction to High Yellow But A Black Woman Forever More A Poetic Anthology of a Spiritual Journey It is said that to know one's self is the key to reaching new horizons and maximizing human potential and it's true But truly knowing one's self without knowing one's spiritual identity is akin to a person who is physically blind driving a car It's absolutely impossible In High Yellow But A Black Woman Forever More A Poetic Anthology of a Spiritual Journey author Deborah M Cofer highlights her efforts and sacrifices as she explores her inner self others and the world around her Every poem is its own unique story of bringing to the surface hashing out understanding and making peace with struggle in order to arrive at new heights in her evolution both as a woman and as a member of the human race Cofer's poetic accounts are both powerful and deeply profound
