Why Does Literature Matter? Frank B. Farrell, 2004 Literature matters because it allows for experiences important to the living out of a sophisticated and satisfying human life because other arenas of culture cannot provide them to the same degree and because a relatively small number of texts carry out these functions in so exceptional a manner that we owe it to past and future members of the species to keep such texts alive

in our cultural traditions from Chapter One Frank B Farrell defends a rich conception of the space of literature that retains its links to issues of self formation and metaphysics and does not let that space collapse into just another reflection of social space He maintains that recent literary theory has badly misread findings in the philosophy of language and the theory of subjectivity That misreading Farrell says has tended to endorse ways of understanding literature that make one question why it matters at all Farrell here opposes some recent theoretical trends and through a mix of philosophical and literary studies tells us why in his view literature does truly matter Among the writers Farrell discusses are John Ashbery Samuel Beckett Amit Chaudhuri Cormac McCarthy James Merrill Marcel Proust Thomas Pynchon Salman Rushdie W G Sebald and John Updike The philosophers important to his arguments include Donald Davidson Daniel Dennett and Bernard Williams G W F Hegel Martin Heidegger Friedrich Nietzsche and Ludwig Wittgenstein play roles as well Among the literary theorists addressed are Stephen Greenblatt Paul de Man and Marjorie Perloff In addition to his close readings of literary philosophical and critical texts Farrell considers cultural studies and postcolonial studies more generally and speculates on the possible contributions of object relations theory in psychology to the study of literature **Caregiving** Suzanne Gordon,Patricia Benner,Nel Noddings,1996-09-29 Looks not only at the financial emotional and physical demands of giving and receiving care but also at the strengths and rewards inherent in the world of caregiving **Europe** ,2000 **The New York Times Book Review** ,1993 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **Cassell's Magazine** ,1898 **Reading Colm Tóibín** Paul Delaney,2008 To date no full length studies of Colm Toibin s work have been published in Ireland or overseas and only a few short essays have appeared in specialist academic journals and general surveys of recent Irish literature This collection of essays fills this noticeable gap in contemporary cricisrn and provides an illuminating exploration of many of the themes and concerns which have engaged Toibin ever since the publication of his first book Walking Along the Border 1987 The collection provides a series of reflections and includes essays by some of the most prominent figures currently working in Irish Studies The book also includes a lengthy interview of Toibin conducted by his former Magill associate Fintan O Toole
