Politics of Confrontation Babak Ganji, 2006-04-28 Did the United States know more than it acknowledges about growing unrest under the Shah in mid 1970s Iran Have historians of American Iranian relations focused too narrowly on prevailing historical theory and personal recollection In a period of escalating tension between the United States and Iran what can the two nations history of conflict tell us about their diplomatic future Covering Carter's policy from the end of the Shah's reign to the revolution under Ayatollah Khomeini Babak Ganji explores the nature of their perpetually antagonistic relations and the mistrust and misunderstanding that fuels it Politics of Confrontation is a penetrating critique of international relations theory within the historical framework of US Iranian relations as well as a thorough examination of American policy towards Iran It is the first in depth look at documents seized by revolutionary students from the American Embassy during the infamous hostage crisis and debunks the myth that US officials were unaware of the nature of opposition to the Shah or of Soviet influence on senior clerics These findings are an essential addition to the discourse of foreign policy theorists and invaluable for historians of the US Iran and the Cold War

Armies and State-building in the Modern Middle East Stephanie Cronin, 2013-12-06 The uprisings of 2011 which erupted so unexpectedly and spread across the Middle East once again propelled the armies of the region to the centre of the political stage Throughout the region the experience of the first decade of the twenty first century provides ample reason to re examine Middle Eastern armies and the historical context which produced them By adding an historical understanding to a contemporary political analysis Stephanie Cronin examines the structures and activities of Middle Eastern armies and their role in state and empire building Focusing on Iran Afghanistan and Saudi Arabia Armies Tribes and States in the Middle East presents a clear and concise analysis of the nature of armies and the differing guises military reform has taken throughout the region Covering the region from the birth of modern armies there in the late nineteenth and early twentieth centuries to the military revolutions of the 1950s and 60s and on to the twenty first century army building exercises seen in Iraq and
