France Since 1918:

The Origins of Economic Regions in France, 1918-1940 Terence Cudbird, 2026-01-01 This book provides a comprehensive account of the achievements of the economic regions set up in France after the First World War. It identifies exactly how they operated as well as critical success factors such as effective leadership. Some recent historians have taken a very negative view of the part played by these regions in economic development. This new study instead argues that they made a significant contribution and laid the foundations for the regions created in France after 1945. The key areas which they identified – transport, power generation and technical education – have remained the preoccupations of regional governments in France and elsewhere to this day. The author covers the needs of commerce and industry but also agriculture and tourism. Based on fresh research using a wide range of primary sources this book will appeal to economic historians, economists and geographers as well as historians with a particular interest in France.

The Return of Alsace to France, 1918-1939

Alison Carroll, 2018-05-24 In 1918 the end of the First World War triggered the return of Alsace and Lorraine to France after almost fifty years of annexation into the German Empire. Enthusiastic crowds in Paris and Alsace celebrated the return of the lost provinces but return proved far more difficult than expected. Over the following two decades politicians, administrators, industrialists, cultural elites and others grappled with the question of how to make the region French again. Differences of opinion emerged and reintegration rapidly descended into a multi-faceted struggle as voices at the Parisian centre, the Alsatian periphery and outside France's borders offered their views on how to introduce French institutions and systems into its lost borderland. Throughout these discussions the border itself shaped the process of reintegration by generating contact and tensions between populations on the two sides of the boundary line and by shaping expectations of what it meant to be French and Alsatian. Borderland is the first comprehensive account of the return of Alsace to France which treats the border as a driver of change. It draws upon national, regional and local archives to follow the difficult process of Alsace's reintegration into French society, culture, political and economic systems and legislative and administrative institutions. It connects the microhistory of the region with the macro levels of national policy, international relations and transnational networks and with the cross border flows of ideas, goods, people and cultural products that shaped daily life in Alsace as its population grappled with the meaning of return to France. In revealing the multiple voices who contributed to the region's reintegration it underlines the ways in which regional populations and cross border interactions have forged modern nations.

France Since 1918 Herbert Tint, 1980 British Regiments 1914-1918 Brigadier E. A. James, 2012-09-06 One of the most used and most useful works of reference on the Great War ever published. In this marvellous volume is listed every cavalry and Yeomanry regiment, every battalion of every infantry regiment, Regular, Territorial or other, that existed during the Great War. In every case the location of the unit on 4 August 1914 is given or the date and place of its formation if raised after the outbreak of war. Its initial disposition, subsequent moves, changes in subordination and final disposal or location on 11

November 1918 are all recorded Thus in a masterly and concise form we have the war service record of 31 regular and 17 reserve cavalry regiments 57 Yeomanry regiments and their second and third line counterparts and nearly 1 750 infantry battalions Several appendices contain a mine of information a table of the infantry regiments showing the number of the different types of battalions each had regular reserve extra reserve territorial New Army garrison etc how the New Army battalions were raised the Training Reserve list of infantry divisions summary of battle honours casualties and VCs of each infantry regiment Finally there is a good index [Britain and France in Two World Wars](#) Emile Chabal, Robert Tombs, 2013-09-12 This collection examines relations between France and Britain in particular their conflicting memories of key episodes in their recent past

The Right in France from the Third Republic to Vichy Kevin Passmore, 2013

Provides a new history of parliamentary conservatism and the extreme right in France during the successive crises of the years from 1870 to 1945 Charts royalist opposition to the newly established Republic the emergence of the nationalist extreme right in the 1890s and the parallel development of republican conservatism [An Outline of Recent European History, 1815-1921](#) Clarence Perkins, 1921 [France](#) Stanley Hoffmann, 1963 [Commerce Reports](#), 1922

[The Public Finances of Post-war France](#) Robert Murray Haig, Carl Sumner Shoup, Alexander Werth, Nathalie Molodovsky, 1929

Presents a survey of facts in French public life as an important bearing on the economic crisis through which France has passed since World War I France is studied due to its great burdens and more losses suffered than any other countries

France Since 1918 Introduction

In today's digital age, the availability of France Since 1918 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of France Since 1918 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of France Since 1918 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing France Since 1918 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, France Since 1918 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing France Since 1918 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for France Since 1918 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, France Since 1918 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of France Since 1918 books and manuals for download and embark on your journey of knowledge?

FAQs About France Since 1918 Books

1. Where can I buy France Since 1918 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
