family tree of the Rogers family of Northam Southampton showing over thirty generations but remembering that at 30 generations there is 1 000 000 000 grandparents making it look like everyone in the UK is interrelated in some small way

The Story of Pasquale Pagano and Antonia Larussa and Family Camille Gendusa Bluestein, 2015-02-11 Being a bit introverted I spent a lot of time at home with my mother in my youth She confided many of her more private feelings and thoughts about her mother Antonia From what I could understand the subject was off limits in her family circle Perhaps she felt it was easier to talk about it with me rather than her brothers Her sister lived in California She lost her mother when she was three years old so she had no memories of her She wondered what her mother looked like as she had no photos of her Then she unraveled the sad story of her mothers demise I write this book to add some closure to the story The demise of Antonia fractured the Pagano family and has scarred several generations Hopefully in my small way I can relate the pleasant as well as the less pleasant qualities of the lives of Antonia and Pasquale Also in this book I would like to celebrate the extended Pagano family In spite of a sad glitch in its history the extended family has much to be proud of Note There is a large notebook titled Pagano Family Archives in the home of the author The entire set of documents is stored there for anyone who wants to view it

In Search of Your Canadian Roots Angus Baxter, 1999 A guide to Canadian resources for genealogical research The author after discussing some of the major European migrations into Canada provides information in the uses of Mormon records the national archives censuses church registers and coats of arms Separate chapters are provided for resources available in each province and a final chapter presents an example of how to write a family history
