Accepting another person the way they are is the silver bullet that can open the lock to any person's heart. Acceptance allows another person to be themselves, relax and share their deepest thoughts and feelings with us. Improves Confidence. The root of self-doubt is non-acceptance of Self. Just like it is hard to fathom the edge or outer boundary of the universe, it is indeed hard to find the edge or boundary of our capabilities. Acceptance helps know, explore and discover the vastness of who we are. Improves Emotional Well-being. We all face failures, setbacks and criticism in life. Non-acceptance of these worsens our ability to manage our emotions. Acceptance allows us to truly listen to our emotions and turn them into assets. Improves Decision-making. Non-acceptance is resistance to what is. Denial and building an alternative reality, an illusionary world that is far from reality is what follows. Acceptance helps see the harsh reality, swallow the bitter pill and take decisions based on facts.
