The Heart Kaleidoscope:

Awareness of the Heart Dennis Maglinte, 2011-01-06 So often in many people's lives there is an awakening For some it comes out of nowhere and for others it seems as though it has always been Seemingly from darkness a light turns on and all that was once confusing becomes clear and all that was once hidden is revealed Some call this enlightenment Some call this a revelation Some call this peace I call it an awareness of the heart The following passages were written between late 2002 until 2010 Inspired by those around me including loved ones family friends and strangers and by the happenings of the world we share my heart was poured onto paper Though these words were written by my hand and sometimes spoken by my tongue there is nothing unique about them for the stirring in me is also in you So whether you choose to read the following passages in order read it backwards or randomly allow yourself to pick a page don't follow me Instead take a journey into your own heart and see where it takes you Throughout these pages you will find references to God Allah Great Spirit The Divine Elohim Yahweh Jehovah He who has no name and a myriad of other beliefs Though our words and our thoughts may differ today allow yourself to read with an open mind an open heart and an open spirit Let your heart inspire you Let God work through you by being you
