ABSTRACT

Color terms, especially the three primary colors, bear the weight of basic meaning of color in English and Chinese idioms and usual expressions. The same color has different meanings in different languages, thus it makes Native English speakers and Native Chinese speakers who use other foreign languages puzzled. Therefore, it is necessary to make a language and culture comparative study of the meanings of three primary colors in English and Chinese idioms and usual expressions. This essay uses metaphors and cognition to make the comparative study between color idioms and usual expressions in English and Chinese. It aims at revealing the similarities and dissimilarities of metaphorical cognitive meanings of three primary colors in English and Chinese idioms and usual expressions. This essay provides a perspective for the role of cultural variation of metaphor and plays a role in overcoming the language barriers in communication.

Keywords: *three primary colors, idioms and usual expressions, metaphorical cognition.*

1. INTRODUCTION

Color features are the perception and description of human language. It is an important part of the world language. In language, this symbol symbolizes the an understanding of color words. The words of color are generally used in people's cognition and description of the world [1].

Therefore, it is necessary to inherit the colors in human language. Everything in nature, including human language, is in a state of change. The development of language cannot be separated from the development of human language. A more developed language may affect the less developed one. At the same time, it is also conducive to the development of human language in the process of development. In the process of language learning, learners' attention is becoming more and more concentrated[1]. In non-human languages, Kay and McDaniel find an interesting phenomenon, metaphor. The metaphors of color and color terms are closely related. In exploring metaphors and its working mechanisms, the color terms are very useful.

In this essay, metaphorical cognitive meanings of three primary colors in English and Chinese idioms and usual expressions will be studied. Similarities and dissimilarities of three primary colors in English and Chinese idioms and usual expressions will also be searched from the aspect of metaphorical cognition.

This essay is divided into several parts. In the first part, a brief introduction to metaphorical cognition will be shown. In the next part, first it is about similarities of metaphorical cognitive meanings of three primary colors in English and Chinese idioms and usual expressions. Secondly, it is about dissimilarities of metaphorical cognitive meanings of three primary colors in English and Chinese idioms and usual expressions. The last is about the reasons for similarities and dissimilarities of three primary colors' metaphorical cognitive meanings in English and Chinese idioms and usual expressions. The final part is the conclusion.

2. LITERATURE REVIEW

Color terms are as common as linguistic phenomena in many kinds of cultures and languages. It is necessary to introduce color terms, as color terms are going to be

 Rights of the Child is the most ratified of all the United Nations Human Rights treaties Adopted by 191 nations it is a
 comprehensive treaty covering the child s civil political economic social cultural and humanitarian rights In the over twenty
 years since the Convention went into force the Committee on the Rights of the Child the experts who monitor State Party
 compliance has issued its evaluation of the reports of State Parties on their progress in implementing the Convention and
 their recommendations for future improvements The Committee s Concluding Observations collectively make up the
 jurisprudence on child rights Due to the sheer volume of reports this information is not easily accessible to scholars and child
 rights activists These volumes provide quick access to the Committee s jurisprudence on an article by article basis By
 dividing the Concluding Observations for each State Party into sections corresponding to specific articles of the Convention a
 researcher can identify the exact language of the Committee s comment on a particular article for each state party and can
 evaluate trends in the Committee interpretation Those interested in understanding and promoting the rights of children and
 in the developing worldwide jurisprudence in this important area will find this extensive compilation an invaluable resource
