8. **Identifying culture patterns**—cultures are often categorized by religion, but you should also look to group ethnic groups and religions into larger cultural groups of similar traits and values. Groupings may include those that share a common language, those that share a common religion, those that share a common ethnicity, and those that share a common geographic location. Groupings may also be based on shared values, such as those that share a common sense of humor or a common sense of justice.
