

A close-up photograph of a BMW car's interior climate control system. The image shows a black plastic panel with two large air vents at the top, each with a horizontal slider. Below the vents are two vertical rotary dials for temperature control, marked with '1' and '0'. Further down are two more horizontal sliders for fan speed, each with a red and a blue indicator light. At the bottom of the panel are two large circular rotary dials for mode selection, also with red and blue indicators.
