established assumptions have been challenged and revolutionized by scholarly research In this extensively revised fully reconsidered and considerably expanded new edition Millgate the world s leading Hardy scholar draws not only upon these new materials but upon an exceptional understanding of Hardy gained from long immersion in the study of his life and work Many large and small aspects of Hardy s life are here freshly illuminated including his family background his fumbling self education as a poet his difficult relations with his first wife and hers with his family his sexual infatuations his secret collaborations with aspiring women writers his clandestine composition of his own official biography and the memory invoking techniques by which he sustained his remarkable creativity into extreme old age Thorough authoritative and eminently readable Thomas Hardy A Biography Revisited will become the standard life of Hardy for a new generation
