

# SOME ANSWERED QUESTIONS

*‘Abdu’l-Bahá*

## Some Answered Questions

**A Loxley**

## Some Answered Questions:

*Some Answered Questions* 'Abdu'l-Bahá, 1982 A wide range of questions and answers compiled from a series of talks given by Abdu'l-Bahá in 1904, 1905 and 1906 while at the supper table. The answers were given in reply to questions posed by visiting pilgrims especially Laura Clifford Barney. Later these answers recorded in Persian were translated into French and English. They constitute a rich source of philosophical and spiritual wisdom with answers that often bypass conundrums or controversies which have limited debate for many centuries. Treating human subjects and human spiritual destiny as well as the nature of creation as inseparable these answers altogether represent a vision which surpasses any given in the past and which will inform and balance the thought of much intellectual and spiritual life in the future

## Some Answered

**Questions** Abdul-Baha, Laura Clifford Barney, 2019-03-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. As a reproduction of a historical artifact this work may contain missing or blurred pages, poor pictures, errant marks etc. Scholars believe and we concur that this work is important enough to be preserved, reproduced and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

*Exploring the Kitáb-i-Aqdas* Omid Ghaemmaghami, Shahin Vafai, 2025-01-23 The Kitáb-i-Aqdas is considered the most important and sacred text of the Bahá'í Faith, a religion with some eight million adherents found in nearly every country of the world. It sets out the laws, teachings and institutions that shape and influence individual and collective life for members of the Bahá'í community. Despite the Kitáb-i-Aqdas's significance, it has not been extensively researched. *Exploring the Kitáb-i-Aqdas: The Laws and Teachings of the Bahá'í Faith* now offers a comprehensive academic study of the text. This important new publication explores and analyzes the significance and history of the Kitáb-i-Aqdas, its language, style and translation, and its theological and spiritual foundations, including its conceptions of God, religion and human beings. The book moreover examines the Kitáb-i-Aqdas's provisions for succession, interpretation and administration within the Bahá'í religion, its devotional and other personal laws, its ordinances for promoting unity, its perspectives on justice and law, and its addresses to the world's political and religious leaders. Academically rigorous yet eminently clear and accessible, *Exploring the Kitáb-i-Aqdas* is an essential read for students of religion and Middle East studies

## Search for Values

John Danesh, Seena Fazel, 2004 **A Tutorial on the Dispensation of Bahá'u'lláh** Fazel Naghdy, 2012 Shoghi Effendi stated that the first duty and the focus of sustained efforts of every faithful follower of the Bahá'í Faith is to strive to acquire a more

adequate understanding of the Revelation of Bahá'u'lláh. Although a full comprehension of such a Revelation is beyond the limits of our understanding, a clearer understanding of its basic truths will empower us to derive fresh inspiration and to gain further spiritual nourishment which in turn will support and maintain our services to the Cause. Shoghi Effendi, The World Order of Bahá'u'lláh, p. 100. Shoghi Effendi wrote *The Dispensation of Bahá'u'lláh* in 1934 in the form of a letter addressed to the Bahá'ís of the West to assist them to fulfil the obligation of deepening their understanding. The letter was published together with a selection of his other letters in 1938 in the book entitled *The World Order of Bahá'u'lláh*. *The Dispensation of Bahá'u'lláh* provides an accurate and clear description of the fundamental verities of the Bahá'í Faith concerning the station of its Central Figures as well as the twin crowning institutions of the Guardianship and the Universal House of Justice. Grasping and upholding these verities will enrich the spiritual life of the individual. This tutorial is designed to assist you in studying and assimilating the content of *The Dispensation of Bahá'u'lláh*. It is called a tutorial to emphasize the concept underlying its development. In a tutorial a tutor facilitates learning for an individual or a small group. This book has been designed and developed to simulate as much as possible the tutor-tutored relationship in a self-paced personal study. The tutorial identifies the main themes covered in Shoghi Effendi's letter and splits related paragraphs into chapters. Hence the 130 paragraphs of *The Dispensation of Bahá'u'lláh* are apportioned for study across 27 chapters. The size and complexity of each chapter reflects the content and intricacy of the issues addressed in the paragraphs included therein. The title chosen for each chapter reflects the main theme covered in the paragraphs. In addition two extra chapters address those questions that arose following the sudden passing of Shoghi Effendi and the lack of any lineal descendant to succeed him as the next Guardian. The first chapter explores the possible reasons that Shoghi Effendi did not leave a will nor appoint a successor. The second chapter examines the defection of Charles Mason Remey after the passing of Shoghi Effendi and his unsubstantiated claim to the Guardianship.

**Some Answered Questions of 'Abdu'l-Bahá** 'Abdu'l-Bahá ibn Bahá'Ulláh, 1970 *Some Answered Questions; Collected and Translated from the Persian of 'Abdu'l-Bahá - Scholar's Choice Edition* Abdul-Bahá, Laura Clifford Barney, 2015-02-19. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity, individual or corporate, has a copyright on the body of the work. ### **Some Answered Questions Introduction**

In today's digital age, the availability of Some Answered Questions books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Some Answered Questions books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Some Answered Questions books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Some Answered Questions versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Some Answered Questions books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Some Answered Questions books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Some Answered Questions books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Some Answered Questions books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Some Answered Questions books and manuals for download and embark on your journey of knowledge?

## **FAQs About Some Answered Questions Books**
