## **Some Arab Souls Dripping:**

**Sassoon On The Art Of Creative Writing** Elias Sassoon, 2011-02-23 The book is a compilation of articles I wrote for my daily blog on Facebook The focal point is the life of the everyday beaten down writer and what it takes to be a writer facing the ordinary adversities of the craft I don't try to sugarcoat anything instead I attempt to let you know what it means to be a functioning writer who struggles for each word and struggles with the lack of financial and commercial success How does the ordinary writer who works at a mundane job by day and writes by night hold it together How do they continue to be productive How do they continue to inspire themselves in a world that doesn't care How do they keep themselves from becoming bored All of this is explored in the articles contained in this small book on the creative writing process I hope it can act as an inside look to all those interested in the subject or working in the field

### **Oriental Cover-Up** Elias

Sassoon, 2011-02-05 What you hold readers is a book written by a newspaper reporter I am that person better known in literally circles as the ghost writer of the stars It begins and ends on one extraordinary night the night I got the biggest exclusive of my career The story centers on one man Joseph Kabir the man who has committed the greatest crime of this century Puzzled Never heard of a Joseph Kabir The story was never released until today with this publication Kabir who was he Describe him Impossible I cannot understand the mind of that lunatic A puzzle who exists as a riddle The night of his crime when Kabir was captured I was singled out for the exclusive Doesn't make sense but nothing surrounding Kabir makes sense Nothing he ever told me makes sense His existence is senseless What else can I say Read for yourself What was told to me comes from Kabir's own mouth There's no attempt to analyze or make sense of it I give it to you the way it was given to me Good luck

**Hero Bountiful** Elias Sassoon, 2001-05-30 Ira Nettleman was your ordinary garden variety schnook who had that certain combination of qualities you can only get by crossing Woody Allen with Danny Kaye and then throwing them into a breeding pool with Lassie the famous Collie dog A schnook definitely that is until the Central Intelligence Agency comes calling and then well that same schnook turns into a delightful butterfly or in this case everyone's hero a sometimes fumbling sometimes babbling sometimes irritating hero who trashes the villains of international terrorism One after another right and left the bad guys fall before Ira's Jell-O like stature Qaddafi Khomeini Saddam Hussein and hosts of others they can never stand against him

**Some Arab Souls Dripping** Elias Sassoon, 2001-03-19 This story is about an Arab man Issa Aldunyar who lives in America He is a literate man a man of letters a poet a teacher a scholar This is also a story about Issa's children strange and radical children Radical How does one define radical How does one define a radical man who just so happens to be an Arab How is an Arab perceived in the Western mind As a terrorist a maniac Western prejudice against a whole culture and civilization Okay there are Arab fanatics but what of the Western fanatics terrorists and misguided idealists who commit crimes of the century Let's take as an example the Irish What about their bombs killings intolerance It has gone on for decades centuries And for what religion Protestant against Catholic Catholic against Protestant And they call Muslims the

crazies You want more examples what about the people of the Balkans Europeans all What of their genocide wars of rape blunder religious intolerance and their various ethnic cleansing attempts at the end of the bayonet More examples Look at the violence and brutality committed by people from the Civilized West Germans English Russians etc What about Americans are we better We ve produced fanatics terrorists bombers madmen Better than them Take the word Zealot This is not an Arab word It comes from the ancient Hebrew and denotes a group of religious fanatics who helped bring down a moral nation Killed like madmen for a cause for their cause And they often killed unjustly Madness everywhere it breeds grows and firmly roots itself in no one particular place It is the Romans the Turks the Americans the Chinese the Japanese Africans Asians South Americans it is the Inquisitors and the Crusaders and the Nazis and the PLO and the IRA and the Communists and the fascists and the Khmer Rouge terrorism fanaticism lack of respect for life love of ego it is here in the present as it has been in our past It isn t the product of one people or race It is of the human race And it is a problem for all races For all peoples For each individual For you and for me and for our children who are here now and who will be born tomorrow That is to be remembered now when reading this book The terror is ours to be acknowledged by all
