Forthcoming Books Rose Army,1990      **A View of Some Divine Truths, which are Either Practically Exemplified in Jesus Christ, Set Forth in the Gospel, Or May be Reasonably Deduced from Thence ... Reprinted from the Edition of 1678** Edward Polhill,1844      **All Power to the Lamb** James R. Johnson,2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age      **The Daily Thought Shaker ®, Volume II** David George,2020-10-26 Ever wish for something to challenge your thinking How about a fresh approach to applications of Biblical truth As with the first volume The Daily Thought Shaker Volume II is a collection of devotions that adhere to the truth of God s Word while employing humor and critical thinking Whether you prefer beginning or ending your day with a new thought about how God wants you to live this book can help A random sample of the titles includes Safe Sex March 1 Unused Gift Cards December 26 WWJD Well WDJD January 26 Rules for Fighting Fair September 23 and It s Difficult to Over Pray September 24 Like its companion first volume it will cause you go deeper in your thinking about and application of Biblical truth in your daily life
