*Dangerous Liaisons* Claudia Moscovici, 2011-11-15 What do Scott Peterson Neil Entwistle and timeless literary seducers epitomized by Don Juan and Casanova have in common They are charismatic glib and seductive men who also embody the most dangerous human qualities a breathtaking callousness shallowness of emotion and the incapacity to love In other words these men are psychopaths Unfortunately most psychopaths don't advertise themselves as heartless social predators They come across as charming intelligent romantic and kind Through their believable mask of sanity they lure many of us into their dangerous nets *Dangerous Liaisons* explains clearly what psychopaths are why they act the way they do how they attract us and whom they tend to target Above all this book helps victims find the strength to end their toxic relationships with psychopaths and move on stronger and wiser with the rest of their lives
