

When You Hurt Me.....

When you hurt me

It's like the end of a life

Someone who is very close to our hurt

The feeling of hurt due to that person

Is very toxic.....

When I blindly trust you

It's obvious...to happen anything.....

The one who has experienced the pain of true relation

Can realise how the world works around us....

Someone Hurt Me:

Don't Hurt Me Julia Derek,2025-01-27 I had the perfect life with my devoted stay at home husband great career and beautiful daughter Until my husband s obsession with perfection took a dark turn and I learned more about my sister in law s suspicious suicide I had only just gotten promoted to executive director at Morgan Stanley one of the youngest ever when I began to notice that something wasn t right in our house The walls change shades overnight Coffee cups appear in strange places always full and cold And my husband Mark s obsession with perfection grows more disturbing by the day An encounter with his schizophrenic father makes me question everything I thought I knew about their family Mark s father s cryptic warnings about his daughter Rachel whose supposed suicide a decade ago is shrouded in secrecy suggest a darkness that goes beyond mental illness As I uncover the truth about Rachel s death Mark s increasingly erratic behavior begins to terrify me Like his father Mark seems to be losing his grip on reality but I suspect something far more sinister than mental illness is at play when it comes to Mark And that it s the reason Rachel is dead But before I can do something about it it s too late DOMESTIC THRILLER PSYCHOLOGICAL DRAMA BOOK MARRIAGE DRAMA

Delaney,2021-03-29 Norms of Violence

Violent Socialization Processes and the Spillover Effect for Youth Crime explores the degree to which violent socialization processes both at the macro and micro levels are associated with youth criminal behavior Based on a quantitative test of an integrated theory of social control and culture of violence the author argues that violent socialization is a process involving physical violence exposure to violence and pro violent communications All three dimensions in combination with national level indicators of violence contribute to a norm of violence which at a national level spills over into other dimensions of society including the family environment This book seeks to answer if violent socialization processes truly control youth behavior Various quantitative methods are used to demonstrate how violent socialization tends to be more prevalent in nations with indicators of violence compared to nations without such indicators The spilling over of violence into socialization processes creates a context of violence normalized as a form of social control which exacerbates youth criminal behavior within pro violent nations This book is unique in propelling a more thorough explanation of international youth crime by focusing on both victimization violent socialization and offending rather than arguing solely that victimization is a correlate of youth crime It provides a reference point for future comparative research offering theoretical explanations for youth crime across different nations and is essential reading for those engaged in youth and juvenile justice efforts and scholars
