NOTHING Thato Motchello,2015-10-07 NOTHING Is about you It helps you to find out who you are by making you realize that you are Nothing and that you can achieve all possible through Nothing With Nothing you can be everything that you can ever imagine yourself to be Implied Contract Mike Smitley,2011-08-29 Death at long distance Imagine a serial killer who never touches his victim Never kidnaps them never tortures them and never even comes close to them Sound impossible It s not Very rarely a serial killer comes along who represents the pinnacle of deadly detachment He is a sniper Using a high powered rifle and the proper ammunition he can be hundreds of yards away and still kill instantly In the right surroundings a sniper can operate undetected for years The combination of no trace evidence at the scenes no witnesses no ballistic evidence and no informants makes this scenario next to impossible to unravel Mason Klauss and Jill Redhorse tackle these seemingly unsolvable murders deftly weaving through a complicated maze of corrupt politicians crooked cops vigilante townspeople and a strained romance Thrilling from beginning to end IMPLIED CONTRACT examines the inherent injustices and obstacles of the criminal justice system while telling a truly unforgettable story Japanese Grammar Kimihiko Nomura,2010-10-21 Japanese Grammar The Connecting Point is instrumental for anyone learning Japanese who seeks to gain a firm grasp of the most important aspect of the language verb usage Learning Japanese may seem to be a daunting task but Dr Nomura s book will help readers conjugate verbs into a variety of formats construct sentences systematically and hold intelligible conversations in Japanese He groups all Japanese verbs into clusters creating a method of how each of those groups conjugate and then demonstrates how to combine various verb forms with auxiliary expressions to form complex sentences Not only is this method excellent for beginners as it creates a solid foundation for learners to increase their language ability and attain fluency at a rapid rate but also for intermediate and advanced levels as it will help them solidify their verb usage and use Japanese with greater confidence Learners will also benefit from Dr Nomura s method because they will be able to shift the level of formality in any conversational situation according to what is culturally appropriate Furthermore when a new verb is uttered by other people the learner will be able to immediately apply the agglutinative process described in this grammar book and generate sentences with a variety of suffixes in a culturally appropriate manner
