**When The Angels Cry** Romina Betvardeh, 2025-09-01 Some lies destroy families Some awaken the wrath of angels In the dead of midwinter tragedy struck

when May the carefree youngest child of an ordinary family fell into an unexplainable coma Instead of offering compassion the neighbours and so called friends turned traitors selling their souls for money spinning lies and giving false evidence to condemn her father The court turned a blind eye The judge ignored the desperate cries of May s mother and her three siblings silencing the truth as their family was torn apart While the innocent suffered the guilty grew rich moving into mansions living like kings and queens feasting on greed that could never be satisfied They believed the devil s promise that May would never awaken But living like kings and queens always come at a cost What May s betrayers did not realise was that she had been caught in a divine battle between light and darkness Within the silence of her coma she fought forces no one could have imagined until the moment her voice finally broke through I heard the angels cry That was the moment everything changed That was the moment the story of When the Angels Cry by Romina Betvardeh truly began No lie can silence the innocent and no darkness can escape the vengeance of angels

SEE follows a successful liberal Indian American family in California as they live out their American Dream. However, tensions soon begin to flare between mother Samantha and daughter Monica as Monica's increasingly uninhibited Western customs clash with Samantha's traditional Eastern values as Monica loves a white Christian American boy. Soon the women embark on separate journeys to India where they reassess themselves and their values. Not only is it impressive that they are taken on an international odyssey for a first-hand look at India in the modern day and also much of the past, but they are also taken on an internal emotional and contemplative journey with Monica and Samantha who must confront their preconceived notions of life and love head-on. It contains interesting, thoughtful, and intelligent characters at every turn. An internal contemplative philosophical journey just as they are taken on an adventure abroad. At several key points in this epic family tale, readers would be on the verge of tears. This is an inter-generational and international drama that describes how difficult and traumatic it is for Samantha, the immigrant, to leave everything behind and start a new life where the language, culture, traditions, morals, beliefs, and everyday way of life are totally foreign and then assimilate into a new country while still retaining her own culture and beliefs. Monica and Brandon's exploits are gripping and suspenseful Western romances. Samantha and Amit's initial Eastern romance would also enchant the younger reader. As we follow Samantha on her journey of self-reflection in pursuit of acceptance, love, open-mindedness, and adaptation as the times change, she and Monica are able to reestablish their connection with each other, offer their forgiveness, and reaffirm their special love for each other. Monica recovers and goes back to America with Brandon. With burning eyes, Samantha promises to return to India.

### **Conduct**

**Unbecoming** Diane Chamberlain, 2013-04. It is not just in recent years that newspapers have carried headlines of those dishonoring the uniform by raping innocent civilians, fellow students at Academies, trainees, or fellow service members. Savage beatings, sodomy, rape, cruelty, mistreatment, and murder are just part of the headlines that reach all the way up to the top commanding officers and generals. When these heinous crimes are tolerated, unity and the very integrity of the services suffer. This historical account, **Conduct Unbecoming**, along with this author's own history, will awaken a sleeping nation to how its women have continued to suffer in the Armed services. Follow this author through her exposé of rape, torture, and corruption by her own military commanders to her struggles with Post Traumatic Stress Disorder and the Kabuki dance with the adversarial veterans administration of denials, cruelty, and retraumatization. She courageously fought evil and prevailed. A military culture that perpetuates **Conduct Unbecoming** causes a disconnect from the military's mission and those who would serve honorably. Allowing moral turpitude to go underground to the extent that it has adversely affects good order and discipline and brings dishonor on the military organizations these men serve. This author refuses to be silenced for behavior that has continued nearly four decades unabated.
