Somewhere Around The Corner

Wolfgang Guggemos

Somewhere Around The Corner:

Somewhere around the Corner Jackie French, 2010-10-01 Just shut your eyes and picture yourself walking around the corner that's what my friend told me Somewhere around the corner and you'll be safe the demonstration was wild out of control Barbara was scared She saw the policeman running towards her She needed to escape She closed her eyes and did precisely that she walked somewhere around the corner to another demonstration to another time Barbara was lucky she met young Jim who took her out of this strange frightening city to his home It was 1932 when Australia was in the grip of the depression and Jim lived in a shantytown But Barbara found a true friend and a true home somewhere safe around the corner Ages 12 **Jackie French's Somewhere Around the Corner** Lewis Mitchell, 2006 **Twenty-Eight Years in Education** John Thomas Patrick, 2011-11-15 What would you do as an elementary principal if an eight year old girl ran into your office with panic on her face and shouted Mr Patrick Ruby said come quick Some men are aiming guns at the kids on the playground Would you run to face the presumed killers or would you run the other way And would you cry when you arrived at work one morning as the high school principal to be told a boy you cared for but had to expel for drug use had committed suicide the night before Would you wrap your arms around the crying senior girl a woman physically but who had a little girl inside who feared her mother would die And would you not swell with pride when a troubled young man who had graduated the previous year threw his arms around you and said I owe it all to you Mr Patrick This was a boy who everyone including the school board had regarded as an evil intelligent boy who should be expelled You alone stood as a buffer between his critics and him These then are some of the highs and lows of being an educator Infestation (Harbingers) Frank Peretti, 2017-08-01 Unleashed from caves used for occult rituals a microscopic evil invades the world an infestation that deceives blinds kills and then spreads and kills again Is it natural supernatural or both An embittered Professor McKinney must rejoin the Harbingers team in order to discover the truth and confront a monster bent on destroying humankind **Judy, or, The London serio-comic journal, ed. by C.H.
