## Song And Words:

**For the Sake of a Song** Marett, Allan, Barwick, Linda, Ford, Lysbeth, 2013-06-27 Wangga originating in the Daly region of Australia's Top End is one of the most prominent Indigenous genres of public dance songs. This book is organised around six repertoires: four from the Belyuen-based songmen Barrtjap Muluk Mandji and Lambudju and two from the Wadeye-based Walakandha and Ma yawa wangga groups; the repertoires being named after the ancestral song giving ghosts of the Marri Tjavin and Marri Ammu people respectively. Framing chapters include discussion of the genre's social history, musical conventions, and the five highly endangered languages in which the songs are composed. The core of the book is a compendium of recordings, transcriptions, translations, and explanations of over 150 song items. Thanks to permissions from the composers, families, and a variety of archives and recordists, this corpus includes almost every wangga song ever recorded in the Daly region.
