**At the Desert's Green Edge** Amadeo M. Rea, 1997-11 The Akimel O'odham or Pima Indians of the northern Sonoran Desert continue to make their home along Arizona's Gila River despite the alarming degradation of their habitat that has occurred over the past century The oldest living Pimas can recall a lush riparian ecosystem and still recite more than two hundred names for plants in their environment but they are the last generation who grew up subsisting on cultivated native crops or wild foraged plants Ethnobiologist Amadeo M Rea has written the first complete ethnobotany of the Gila River Pima and has done so from the perspective of the Pimas themselves At the Desert's Green Edge weaves the Pima view of the plants found in their environment with memories of their own history and culture creating a monumental testament to their traditions and way of life Rea first discusses the Piman people environment and language then proceeds to share their botanical knowledge in

entries for 240 plants that systematically cover information on economic botany folk taxonomy and linguistics The entries are organized according to Pima life form categories such as plants growing in water eaten greens and planted fruit trees All are anecdotal conveying the author's long personal involvement with the Pimas whether teaching in their schools or learning from them in conversations and interviews At the Desert's Green Edge is an archive of otherwise unavailable plant lore that will become a benchmark for botanists and anthropologists Enhanced by more than one hundred brush paintings of plants it is written to be equally useful to nonspecialists so that the Pimas themselves can turn to it as a resource regarding their former lifeways More than an encyclopedia of facts it is the Pimas own story a witness to a changing way of life in the Sonoran Desert

**The Dream Palace of the Arabs** Fouad Ajami, 2009-09-23 From Fouad Ajami an acclaimed author and chronicler of Arab politics comes a compelling account of how a generation of Arab intellectuals tried to introduce cultural renewals in their homelands through the forces of modernity and secularism Ultimately they came to face disappointment exile and on occasion death Brilliantly weaving together the strands of a tumultuous century in Arab political thought history and poetry Ajami takes us from the ruins of Beirut's once glittering metropolis to the land of Egypt where struggle rages between a modernist impulse and an Islamist insurgency from Nasser's pan Arab nationalist ambitions to the emergence of an uneasy Pax Americana in Arab lands from the triumphalism of the Gulf War to the continuing anguished debate over the Israeli Palestinian peace accords For anyone who seeks to understand the Middle East here is an insider's unflinching analysis of the collision between intellectual life and political realities in the Arab world today
