**The Good of the Order** Simeon B. Chase, 1870      For the Good of the Order John Watson Milton, 2012-02-27 This book is part of our history one that has slipped from memory in the passage of time The story of Nick Coleman one of his generations most inspired leaders while overdue is still worth telling and surely it carries important lessons for us now Walter F Mondale In January 1973 Nick Coleman became the first Democrat in 114 years to lead the majority in the Minnesota Senate He provided the vision and leadership required to enact the Minnesota equivalent of Lyndon Johnsons social and economic programs known as the Great Society This was the high tide of liberal politics in Minnesota the crest in voter support that also sent Hubert Humphrey Eugene McCarthy and Walter Mondale to national prominence For the Good of the Order chronicles Nick Colemans role in the legislative cauldron that resulted in Minnesota being recognized throughout the country as the state that works Despite spirited political challenges these remarkable achievements resulted from genuine collaboration from both sides of the aisle Moreover the debate over these initiatives helped raise Minnesotas legislative branch to coequal status with the executive Sadly they also marked the beginning of the demise of civility respect and compromise among lawmakers Coleman was an Irish American and proud of his heritage His talent for leadership was surely enhanced by his Celtic wit and view of the world No caricature of the Irish pol however Coleman used his verbal gifts and charm to offer reasons why a hesitant colleague could safely follow him when votes were needed for controversial bills He led from the front especially when debate was most intense and unflinchingly took the fiercest fire from adversaries When Nick Coleman left the political arena in 1981 a wave of conservatism was sweeping the country Since his departure much of the agenda Coleman fought so hard to accomplish has been diluted or reversed Nevertheless his legacy remains an inspiration to all who believe that a society should be judged by how it treats its weakest and least powerful Perhaps Hubert Humphrey voiced this belief most succinctly when he said the moral test of government is how that government treats those who are in the dawn of life the children those who are in the twilight of life the elderly those who are in the shadows of life the sick the needy and the handicapped Those were the people Nick Coleman fought for and never forgot      **The Standard**, 1892      *Annual Report*, 1899      *The Banner of Gold*, 1896      *A History of the Inquisition of the Middle Ages* Henry Charles Lea, 1888      *Roster and Proceedings of the ...
