The Good Thief:

The Good Thief André Daigneault, 2005-05 *The Good Thief's Guide to Berlin* Chris Ewan, 2013-08-06 You can't keep a good thief down Charlie Howard is back and robbing the city of Berlin blind until he witnesses a murder being committed right before his eyes Charlie Howard part time writer part time thief has been engaged in a veritable spree of larceny and misappropriation since moving to Berlin Germany He's supposed to be working on his next novel But high rent and a love for thrill seeking has been hard on his word count But Charlie's larcenous binge is interrupted by the call to duty on behalf of Her Majesty's Government Four embassy employees are suspected of stealing a sensitive item Charlie is to break into their homes find the culprit and recover the stolen property But there's a catch The item is so sensitive Charlie isn't told what he's looking for Not its size not its weight nothing He's only told that he'll recognize it when he sees it Charlie has been a successful thief because he follows his own rules the first being Don't get caught Well after he enters the first suspect's home he has to add a new rule Don't admire the view As Charlie stares across the street he sees something he really wishes he hadn't a woman being murdered And that's just for starters What follows is a wild adventure in the former cauldron of spies With *The Good Thief's Guide to Berlin* Chris Ewan shows why he was voted as one of America's favorite British authors by a Huffington Post poll Clever and wildly entertaining this is a mystery series that is big fun *The Seattle Times* *The Good Thief's Guide to Vegas* Chris Ewan, 2010-08-17 Chris Ewan's *The Good Thief's Guide to Vegas* is the next caper in a series that's being called impressive comic fresh Publishers Weekly starred review Charlie Howard isn't only a part time crime writer and part time thief he's also a magician For his next trick he'll relieve Josh Masters the famous illusionist vying for the affections of Charlie's friend Victoria of 60 000 in casino chips stashed in his hotel safe Revenge would be sweet if there weren't a dead redhead floating in Masters bathtub and if Masters hadn't just disappeared in a puff of smoke after cheating at roulette Convinced that Charlie was in on the scam the casino's owners give him an impossible mission either pull off an elaborate heist to reimburse the house for every dollar his accomplice made off with or enjoy a one way trip into the desert

The Good Thief's Guide to Amsterdam Chris Ewan, 2009-10-15 Charlie Howard doesn't just write books about a career thief he also happens to be one In Amsterdam working on his latest novel Charlie is approached by a mysterious American who asks him to steal two apparently worthless monkey figurines from two separate addresses on the same night At first he says no Then he changes his mind Only later kidnapped and bound to a chair the American very dead and a spell in police custody behind him does Charlie begin to realise how costly a mistake he might have made The police think he killed the American Others think he knows the whereabouts of the elusive third monkey But for Charlie only three things matter Can he clear his name Can he get away with the haul of a lifetime And can he solve the briefcase shaped plot hole in his latest novel
