Marsh, 1986 **The Government Inspector** , *The Government Inspector* Old Vic, 1979 The Government Inspector Nikolai Gogol, 2020-11-27 The corrupt officials of a small Russian town headed by the Mayor react with terror to the news that an incognito inspector the revizor will soon be arriving in their town to investigate them The flurry of activity to cover up their considerable misdeeds is interrupted by the report that a suspicious person has arrived two weeks previously from Saint Petersburg and is staying at the inn That person however is not an inspector it is Khlestakov a foppish civil servant with a wild imagination Having learned that Khlestakov has been charging his considerable hotel bill to the Crown the Mayor and his crooked cronies are immediately certain that this upper class twit is the dreaded inspector For quite some time however Khlestakov does not even realize that he has been mistaken for someone else Meanwhile he enjoys the officials terrified deference and moves in as a guest in the Mayor's house He also demands and receives massive loans from the Mayor and all of his associates He also flirts outrageously with the Mayor's wife and daughter The Government Inspector also known as The Inspector General Russian Revizor literally Inspector is a satirical play by the Russian and Ukrainian dramatist and novelist Nikolai Gogol Originally published in 1836 the play was revised for an 1842 edition Based upon an anecdote allegedly recounted to Gogol by Pushkin the play is a comedy of errors satirizing human greed stupidity and the extensive political corruption of Imperial Russia According to D S Mirsky the play is not only supreme in character and dialogue it is one of the few Russian plays constructed with unerring art from beginning to end The great originality of its plan consisted in the absence of all love interest and of sympathetic characters The latter feature was deeply resented by Gogol's enemies and as a satire the play gained immensely from it There is not a wrong word or intonation from beginning to end and the comic tension is of a quality that even Gogol did not always have at his beck and call The dream like scenes of the play often mirroring each other whirl in the endless vertigo of

self deception around the main character Khlestakov who personifies irresponsibility light mindedness absence of measure He is full of meaningless movement and meaningless fermentation incarnate on a foundation of placidly ambitious inferiority D S Mirsky The publication of the play led to a great outcry in the reactionary press It took the personal intervention of Tsar Nicholas I to have the play staged with Mikhail Shchepkin taking the role of the Mayor The Government Inspector Nikolai Gogol,2003-08-07 The corrupt officials of a small town in Tsarist Russia mistake a penniless clerk from Moscow for a government agent in Gogol s satire on the grotesque side of human nature A play described by Vladimir Nabokov as the greatest ever written in the Russian language Includes text notes commentary and background Nikolai Gogol 1809 1852 was the leader of the realist revolution in 19th century Russian drama and literature His plays include Marriage and The Gamblers

Translated by Thomas Seltzer from the Russian The Government Inspector also known as The Inspector General is a satirical play by the Russian and Ukrainian dramatist and novelist Nikolai Gogol Originally published in 1836 the play was revised for an 1842 edition Based upon an anecdote allegedly recounted to Gogol by Pushkin the play is a comedy of errors satirizing human greed stupidity and the extensive political corruption of Imperial Russia The Inspector General is a national institution To place a purely literary valuation upon it and call it the greatest of Russian comedies would not convey the significance of its position either in Russian literature or in Russian life itself There is no other single work in the modern literature of any language that carries with it the wealth of associations which the Inspector General does to the educated Russian The Germans have their Faust but Faust is a tragedy with a cosmic philosophic theme In England it takes nearly all that is implied in the comprehensive name of Shakespeare to give the same sense of bigness that a Russian gets from the mention of the Revizor The Government Inspector Nikolai Vasil'evich Gogol', Gordon McDougall, 1989 The corrupt officials of a small town in Tsarist Russia mistake a penniless clerk from Moscow for a government agent in Gogol's satire on the grotesque side of human nature A play described by Vladimir Nabokov as the greatest ever written in the Russian language Includes text notes commentary and background Nikolai Gogol 1809 1852 was the leader of the realist revolution in 19th century Russian drama and literature His plays include Marriage and The Gamblers **The Government Inspector** Nikolai Gogol, 1867
