The Grants Game:

The Definitive Guide to Taxes for Indie Game Developers Rachel Presser, 2023-03-13 Indie developers and other people who work on games for a living face all kinds of interesting income tax and small business formation issues that more traditional businesses simply don't have. Not being geographically bound, relying on alternative funding long periods of time with no income and having multiple options for tax treatment of game development costs. The Definitive Guide to Taxes for Indie Game Developers addresses the income tax issues that the average indie game developer is most likely to encounter in the context of the American Internal Revenue Code and types of taxes. Written by a former tax law practitioner turned game developer and industry consultant with a decade of tax and accounting experience, this newly revised Second Edition includes key provisions of the 2018 tax reform such as the new qualified business income deduction, R&D credit expansion and permanent reduction to corporate income taxes. In-depth explanations and examples are provided along with references to Tax Court and Supreme Court cases relevant to each tax benefit. Key Features: Includes authoritative sources with relevant IRS publications, Revenue Rulings and Tax Court cases. Features easy-to-read, accessible and humorous language. No legalese. Approaches how business decisions as an indie developer affect personal finances. Readers will gain a thorough understanding of taxation's role in managing a game studio of any size and going indie with any lifestyle. The accompanying companion website is a valuable resource that is annually updated to keep current on any tax reforms.

Writing Grant Proposals That Get Results Beverly Brown, 2004-09-01 Write grant proposals that get results with the help of this concise resource. Packed with essential information, *Grant Writing for Educators* details effective ways to identify your school's needs, locate the best corporate foundation and government funding and write winning proposals.

Finding Funding Ernest W. Brewer, Charles M. Achilles, 2008 The authors introduce very valuable ideas and strategies with tips and guidelines that can make every grant proposal successful. Joen Hendricks Painter, Educational Consultant. There are helpful tips throughout the book. The documentation included was very useful as was the comprehensive listing of sources and Internet sites. Sharon Weber, Principal, Punxsutawney Area School District, PA. Find the money you need for research and programs that count. Grantwriting can be frustrating and exasperating or it can be a fulfilling part of the school funding process. In this fifth edition of their bestseller, nationally recognized experts Ernest W. Brewer and Charles M. Achilles put their 150 million in grantwriting experience to work for all educators. An in-depth resource with an easy-to-understand format, *Finding Funding* brings the reader up to date with 120 newly researched Web sites to help grant seekers be more efficient and effective at writing successful government, foundation and private grants. The authors focus on four main phases of grantwriting and administration: exploring grants, writing proposals, implementing programs and managing acquired funds and closing out funded projects. Their winning formula can help you surpass the competition by finding people and organizations with money. Targeting proposals effectively. Meeting the requirements of funding agencies to obtain the funding you need. This
