T&T Clark Companion to the Dead Sea Scrolls George J. Brooke, Charlotte Hempel, 2018-09-20 The Dead Sea Scrolls are one of the most important archaeological discoveries of the last century They have great historical religious and linguistic significance not least in relation to the transmission of many of the books which came to be included in the Hebrew Bible This companion comprises over 70 articles exploring the entire body of the key texts and documents labelled as Dead Sea Scrolls Beginning with a section on the complex methods used in discovering archiving and analysing the Scrolls the focus moves to consideration of the Scrolls in their various contexts political religious cultural economic and historical The genres ascribed to groups of texts within the Scrolls including exegesis and interpretation poetry and hymns and liturgical texts are then examined with due attention given to both past and present scholarship The main body of the Companion concludes with crucial issues and topics discussed by leading scholars Complemented by extensive appendices and indexes this Companion provides the ideal resource for those seriously engaging with the Dead Sea Scrolls

Sacred Texts and Disparate Interpretations: Qumran Manuscripts Seventy Years Later , 2020-07-13 The essays in Sacred Texts and Disparate Interpretations cover an array of core themes from various areas of Qumran studies including textual criticism of the Hebrew Bible Second Temple history philology paleography Wisdom and religious poetry Contributors to this volume generally consider these themes from a historical perspective trying to find new solutions to old questions and entering in constructive dialogue with the opinions of other scholars Paleographic investigations textual criticism as well as literary and philological approaches make this volume a valuable contribution to the variegated and often highly specialized directions of inquiry into the contents and historical background of the Dead Sea Scrolls

Jewish Liturgy Ruth Langer, 2015-03-06 How do Jews pray and why What do the prayers mean From where did this liturgy come and what challenges does it face today Such questions and many more spanning the centuries and continents have driven the study of Jewish liturgy But just as the liturgy has changed over time so too have the questions asked the people asking them and the methods used to address them Jewish Liturgy A Guide to Research enables the reader to access the rich bibliography now available in English In this volume Ruth Langer an expert on Jewish liturgy provides an annotated description of the most important books and articles on topics ranging historically

from the liturgy of the Second Temple period and the Dead Sea Scrolls to today addressing the synagogue itself and those gathered in it the daily weekly and festival liturgies and their components home rituals and the life cycle as well as questions of liturgical performance and theology Introductions to every section orient the reader and provide necessary background Christians seeking to understand Jewish liturgy either that of Jesus and the early church or that of their Jewish contemporaries will find this volume invaluable It s also an important reference for anyone seeking to understand how Jews worship God and how that worship has evolved over time

Message and Composition of the Book of Isaiah Antti Laato,2022-01-19 The study deals with the theological message and composition of the Book of Isaiah and promotes a thesis that an early Jewish reception history helps us to find perspectives to understand them This study treats the following themes among others 1 Hezekiah as Immanuel was an important theme in the reception as can be seen in Chronicles and Ben Sira as well as in rabbinical writings The central event which makes Hezekiah such an important figure was the annihilation of the Assyrian army as recounted in Isaiah 36 37 2 The Book of Isaiah was interpreted in apocalyptic milieu as the Animal Apocalypse and Daniel show Even though the Qumran writings do not provide any coherent way to interpret Isaianic passages its textual evidence shows how the community has found from the Book of Isaiah different concepts to characterize the division of the Jewish community to the righteous and sinful ones cf Isa 65 66 3 Ezra and Nehemiah received inspiration from the theological themes of Isaianic texts of Levitical singers which were later edited in the Book of Isaiah by scribes The formation of the Book of Isaiah then went in its own way and its theology became different from that in the Book of Ezra Nehemiah
