Kilner,2015-01-08 Misunderstandings about what it means for humans to be created in God s image have wreaked devastation throughout history for example slavery in the U S genocide in Nazi Germany and the demeaning of women everywhere In Dignity and Destiny John Kilner explores what the Bible itself teaches about humanity being in God s image He discusses in detail all of the biblical references to the image of God interacts extensively with other work on the topic and documents how misunderstandings of it have been so problematic People made according to God s image Kilner says have a special connection with God and are intended to be a meaningful reflection of him Because of sin they don t actually reflect him very well but Kilner shows why the popular idea that sin has damaged the image of God is mistaken He also clarifies the biblical difference between being God s image which Christ is and being in God s image which humans are He explains how humanity s creation and renewal in God s image are central respectively to human dignity and destiny Locating Christ at the center of what God s image means Kilner charts a constructive way forward and reflects on the tremendously liberating impact that a sound understanding of the image of God can have in the world today *The Gospel in All Lands* ,1900 The Routledge Handbook of African Theology Elias Kifon Bongmba,2020-05-25 Theology has a rich tradition across the African continent and has taken myriad directions since Christianity first arrived on its shores This handbook charts both historical developments and contemporary issues in the formation and application of theologies across the member countries of the African Union Written by a panel of expert international contributors chapters firstly cover the various methodologies needed to carry out such a survey Various theological movements and themes are then discussed as well as biblical and doctrinal issues pertinent to African theology Subjects addressed include Orality and theology Indigenous religions and theology Patristics Pentecostalism Liberation theology Black theology Social justice Sexuality and theology Environmental theology Christology Eschatology The Hebrew Bible and the New Testament The Routledge Handbook of African Theology is an
