Genealogy of Jesus

1 Jesus the son of David, the son of Abraham

2 Abraham was the father of Isaac,
3 Isaac the father of Jacob,
4 Jacob the father of Judah and his
5 brothers,
6 Judah the father of Perez and
7 Saram, whose mother was Tamar,
8 Perez the father of Hezron,
9 Hezron the father of Ram,
10 Ram the father of Ammon,
11 Ammon the father of Manasse,
12 Manasse the father of Ephraim,
13 Ephraim the father of Manasse,
14 Manasse the father of Simeon,
15 Simeon the father of Levi,
16 Levi the father of Judah,
17 Judah the father of Joseph,
18 Joseph the father of Jesus who is called Christ.

19 And Jacob the father of Joseph
husband of Mary, of whom
born Jesus, who is called

20 Thus there were fourteen generations
all from Abraham to David, fourteen
David to the exile to Babylon, and from
the exile to the Christ.

The Birth of Jesus Christ

1 Now it is born the Son of David who
is called Jesus. His mother was Mary,
his father was Joseph. He was born
about the time that Herod the
king was reigning. His mother Mary
was betrothed to Joseph, but she
was found to be with child before
they were joined together. Her husband
Joseph was a just man, who did not
want to expose her; he intended to
dismiss her privately. But when he
thought of this, he was troubled by
a dream, and he was afraid to do
as he intended, for he feared to hurt
her. In the dream he saw the angel
of the Lord standing by him, saying,
Joseph, son of David, do not be afraid
to take Mary your wife, for that which
is conceived in her is of the Holy Spirit;
and she will bear a son, and you shall
call his name Jesus, for he will save
his people from all their iniquities.
And all this was done that it might
fulfill what the Lord said by the
prophet, saying, Behold, I am sending
my messenger before my face, and he
will prepare the way before me,
said the Lord.

The Gospel Of Matthew:

Exploring the Gospel of Matthew John Phillips, 2005 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody magazine **The Gospel of Matthew** R.T. France, 2007-07-11 The English translation at the beginning of each section is France's own designed to provide the basis for the commentary This adept translation uses contemporary idioms and where necessary gives priority to clarity over literary elegance BOOK JACKET **The Gospel of Matthew** Rudolf Schnackenburg, 2002 From ancient times the Gospel of Matthew has been regarded as the church Gospel its aims are preeminently catechetical pastoral and missionary But recent research raises many questions regarding Matthew's creation theological intentions and shaping for the circle of its first recipients This highly original commentary by Rudolf Schnackenburg follows Matthew chapter by chapter and verse by verse carefully explaining and interpreting the text against both its primitive and current horizons Schnackenburg sees Matthew's purpose as simply the proclamation of Christian salvation His commentary gives extra attention to the great discourses of Jesus found in Matthew such as the Sermon on the Mount showing how Jesus words and works have special currency for the self understanding of the church and for the task of Christian living today Written by a master exegete with a pastor's sensitivity this commentary will fast become a classic study of Matthew's Gospel The Gospel of Matthew John Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel's sources or historical background Nolland places his central focus on the content and method of Matthew's story His work explores Matthew's narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark's presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew's Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland's Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative **A Handbook on the Gospel of Matthew** Barclay Moon Newman, Philip C. Stine, 1992 This handbook like others in this series concentrates on exegetical matters that are of prime importance for translators and it attempts to indicate possible solutions for translational problems that may arise because of language or culture In this respect the Handbook attempts to deal with the full range of information important to translators However the authors do not attempt to provide help that other theologians and scholars may be seeking but which is not directly useful for the task of translating It is assumed that such information is available elsewhere A Commentary on the Gospel of

Matthew Craig S. Keener,1999 This excellent commentary on Matthew offers a unique interpretive approach that focuses on the socio historical context of the Gospel and the nature of Matthew s exhortation to his first century Christian audience By merging a careful study of Matthew s Gospel in relation to the social context of the ancient Mediterranean world with a detailed look at what we know of first century Jewish Christian relations Craig Keener uncovers significant insights into the Gospel not found in any other Matthew commentary In addition Keener s commentary is a useful discipleship manual for the church His unique approach recaptures the full shock effect of Jesus teachings in their original context and allows Matthew to make his point with greater narrative artistry Keener also brings home the total impact of Matthew s message including its clear portrait of Jesus and its call for discipleship both to the Gospel s ancient readers and to believers today **The Gospel**

of Matthew in its Roman Imperial Context John K. Riches,David C. Sim,2005-09-14 In what sense does Matthew s Gospel reflect the colonial situation in which the community found itself after the fall of Jerusalem and the subsequent humiliation of Jews across the Roman Empire To what extent was Matthew seeking to oppose Rome s claims to authority and sovereignty over the whole world to set up alternative systems of power and society to forge new senses of identity If Matthew s community felt itself to be living on the margins of society where did it see the centre as lying In Judaism or in Rome And how did Matthew s approach to such problems compare with that of Jews who were not followers of Jesus Christ and with that of others Jews and Gentiles who were followers This is volume 276 in the Journal for the Study of the New Testament Supplement series and is also part of the Early Christianity in Context series **The Gospel of Matthew** Donald

Senior,2011-12-01 Biblical texts create worlds of meaning and invite readers to enter them When readers enter such textual worlds which are often strange and complex they are confronted with theological claims With this in mind the purpose of the Interpreting Biblical Texts series is to help dedicated students in their experience of reading and interpreting by providing guides for their journeys into textual worlds The controlling perspective is expressed in the operative word of the title interpreting The primary focus of the series is not so much on the world behind the texts or out of which the texts have arisen as on the worlds created by the texts in their engagement with readers In this volume Donald Senior provides an up to date introduction to the Gospel of Matthew The seven chapters of Part One focus on modern biblical scholarship and the interpretation of Matthew discussing the sources and structure of the Gospel its use of the Old Testament its understanding of Jewish Law its setting as a part of the mission of Christianity to the Gentiles its Christology its understanding of the nature of discipleship and the community from which the Gospel originated The six chapters of Part Two provide a structured guide to reading and interpreting Matthew s Gospel *Commentary on the Gospel of Matthew* John Albert Broadus,1886 **A**
