Government of God Salvian (of Marseilles), 1930 *The Government of God (Classic Reprint)* John Taylor, 2015-07-12
Excerpt from The Government of God It was Elder Taylor's intention to superintend the publishing of The Government of God
in person previous to his departure for Great Salt Lake City last spring but the numerous cares attending the French and
German Missions of which he was President the translation of the Book of Mormon into the French and German languages
the establishment of L Etiole du Deseret at Paris and Zions Panier at Hamburg together with a multitude of other business
connected with the welfare of the Kingdom of God rendered it impossible The manuscript was therefore handed to me by
Elder Taylor with a request to superintend the printing of the work which I have done to the best of my ability Considering
the disadvantages arising from the Author's absence during the reading of the proofs I believe it is as correctly rendered as
was possible from a manuscript copy The Work is now before the Public and from one portion at least it will meet with a
cordial reception treating as it does upon the theme most dear to their hearts the Reign of Righteousness and Peace About

historical works **Understanding God's Government** Paul W. Syltje, 2005-03 Understanding God's Government dares to
explore the nature of government at all levels its pyramidal hierarchical structure within civil religious business military and
social spheres and then dissect the motivations behind their leaders It is discovered that fear is usually the prime motivator
that leaders use to gain and maintain control The Creator's intended form of government for mankind however is a
brotherhood based upon lateral relationships of love and concern for one's fellow man The author delves into Biblical and
secular sources to elucidate the nature of today's governments elements of Godly government ideal government within the
ecclesia forms of government that work and their consequences Additional articles are included by former presidential
candidate Harry Browne Herbert W Armstrong James Lloyd Norman Edwards and the author Learn why future government
holds so much promise within this war torn unstable world **Government of God** John Taylor, 2019 *On The*
Government of God Salvian, Aeterna Press, Practically all men who have chosen some form of literary composition as a fitting
expression of their native genius have taken especial pains whether they were writing of useful and worthy matters or of
useless and unworthy to lighten the order of their discourse by the brilliance of their language and to illumine by their style

the questions under discussion It is to style therefore that the majority of writers on secular topics whether in prose or verse have paid most attention not considering sufficiently the necessity of choosing subjects worthy of approbation provided that whatever they said was either chanted in smooth and elegant verse or narrated in distinguished prose Aeterna Press The Government of God John Taylor,2015-11-15 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide
