**When the Whistle Blows** Jack Allen, 2000

**The Other Side** Alfred Kubin, 2000 Tells of a dream kingdom which becomes a nightmare of a journey to Pearl a mysterious city created deep in Asia which is also a journey to the depths of the subconscious Back cover

**The Maimed** Hermann Ungar, 2002 Franz Polzer is a man who is dominated by irrational fears even a friendly smile seems to conceal a hidden menace He keeps the world at bay by organising his life according to the meticulous routine of his work as a bank clerk He even rejects promotion because it brings the unknown that will threaten to upset his ordered existence But this precarious order is disturbed by the sexual demands of his landlady Once the first breach has occurred he is dragged inexorably down into an abyss of degradation which ends in a grisly murder The horror of Polzer's fall is emphasised by the matter of fact sobriety of Ungar's narrative style For Stefan Zweig *The Maimed* was wonderful and horrible captivating and repulsive unforgettable although one would be glad to be able to forget it

**Maria Callas** Stelios Galatopoulos, 1998 An authoritative and fully illustrated biography of one of the great icons of the 20th century assesses her defining art and reveals in her own words the woman behind the triumphant controversial and tempestuous La Divina Illustrations

**On the Run** Martin Prinz, 2005 In the 1980s the bank robber Johann Rettenberger was the most wanted criminal in Austria Known as Pumpgun Ronnie because of the weapon he used and the Ronald Reagan mask he wore for his robberies he sometimes robbed two or three banks on the same day He was also wanted for one murder unconnected with the bank robberies Unusually for a bank robber he was also a keen amateur marathon runner and had won several races He jumped out of a window during questioning and escaped by running into the Vienna Woods *On the Run* is not an attempt to analyse

or explain much less excuse Rettenberger nor is it a biographical novel recreating the details of his life in chronological order It is a novel about a man for whom running is of existential importance He only seems to feel truly alive truly himself truly free when he is running Although it does have the forward drive of the excitement of the chase from the perspective of the quarry it is more of an Austrian The Loneliness of the Long Distance Runner than a thriller **Variety International Film Guide** ,2000
