The Great Rapture Hoax Dave MacPherson, 1983 **Some Public Reactions to The Great Rapture Hoax** Dave MacPherson, Robert Duncan Culver, 1986 The Debate Over Christian Reconstruction Gary DeMar, 1988 **The Conspiracy of Pontiac and the Indian War After the Conquest of Canada** Francis Parkman, 1899 **An Open-eyed Conspiracy** William Dean Howells, 1897 **The conspiracy of Pontiac and the Indian war after...** Francis Parkman, 1898 The Conspiracy of Pontiac and the Indian War After the Conquest of Canada Francis Parkman, 1912

The Works of Francis Parkman: The Conspiracy of Pontiac and the Indian war after the conquest of Canada Francis Parkman, 1898 **Captain America and the Crusade Against Evil** Robert Jewett, John Shelton Lawrence, 2003 Grasping this vision honored by Judaism Christianity and Islam alike includes recognizing the dangers of zealous violence the illusions of current crusading and the promise of peaceful coexistence under international law **Fore Warning** William T. James, 1998 Through the lens of Scripture fourteen internationally recognized prophecy experts present inside information and startling facts that introduce us to the men and women orchestrating global unity and the tidal wave of events propelling us toward the future a Richelieu: Or, The Conspiracy Edward Bulwer Lytton Baron Lytton, 1896 **The Conspiracy of Pontiac** Francis Parkman, 1898 On Behalf of Israel Yaakov Shalom Ariel, 1991 Dispensationalists believe that god deals with the earth in a set of successive dispensations in which humans are to respond in specific ways to show their obedience Ariel tells the story of the rise of the dispensationalist wing of the fundamentalist movement which in the 19th century determined from their literal reading of Biblical prophecy that the second coming of Jesus demanded the restoration of Israel and that America had to give political support to the founding of a nation of Israel to help make ready such a return

Annotation copyrighted by Book News Inc Portland OR **The Gathering Storm** Mal Couch, 2005-02 The purpose of this book is to signal the warning that a gathering storm is on the horizon Events are leading us closer to the prophesied apostasy and the rapture of the church In the growing darkened social and spiritual climate Christians may face a deepening isolation and an outright denial of the opportunity to witness the saving grace of Christ Jesus Churches may also begin to feel a sharp curtailment of ministry especially in speaking against the moral evils of the culture Not all of the chapters in this book are warning chapters but together they are meant to lay out a mosaic of things to come Some of those things have to do with what is taking place in the world but other issues also point to drastic changes within the larger Evangelical culture 1 Sixteen outstanding authors and scholars have come together to warn Christians that the storm prophesied in Scripture is on the horizon 2 The majority of Evangelical seminaries are shifting away from the teaching of prophetic truth Learn why in this book 3 Why are truths like the rapture the tribulation and the kingdom reign of Christ being denied This book is written to tell you 4 In the growing denial of Bible prophecy what can we expect next As the November election of 2004 neared America awakened and found itself split down the middle between two ideologies between liberal and conservative but more between

moral Christian values and between humanistic and secular values Never before has the nation been so divided in such a deep and devious way Events that unfold and transpire past 2004 will tell us just how deep the split is in the psyche of the nation But while America is coming to terms with a liberal agenda that is without doubt destructive in Europe and Asia there is no division because Christian mores have nothing to do with what is taking place in those cultural and religious climates Europe long ago repudiated the spiritual heritage left over from the Reformation And it can be fair to say that the tombstone is about to be placed over the Christian influences that have so led this nation in the past The changes are now coming so fast spiritually and morally that the entire social fabric of the country is about to tear and fragment Here are some examples 1 In 1993 63% of Americans claimed to be Protestant but unfortunately in that survey Mormons and Jehovah Witnesses were included in the count In 2002 the number saying they are Protestant Christians had dropped to 52% Within a few years Protestants will be a minority in America 1 In 2003 14% percent of Americans claimed to have no religion 1 Up to 1993 Protestant denominations retained 90% of their congregants The number now is 80% It is admitted that because the mainline denominations are turning so quickly to liberalism they are shrinking rapidly and may soon disappear altogether The signs that the nation and the world is rapidly moving quickly to social and moral humanism are seen in the issues listed below on which Christian values no longer have an influence Abortion Stem cell research using aborted baby tissue Homosexual agendas Same sex marriage Galloping socialism Euthanasia While some argue that these issues are simply social shifts that will not sap the strength of the western nations such rapid changes point to an outright repudiation of biblical morality Then there is the Middle East and Israel Evangelicals who hold strongly to what the Bible teaches about the end times see prophetic patterns in the establishment of the nation of Israel along with the return of the Jewish people to the promised land and the rise of militant Islam The Middle East is a powder keg that could explode and draw into that area the entire world Changes in Europe also point to prophetic signposts Europe is now virtually a united one nation It now uses a Euro dollar and has a sitting parliament with an elected president It also is rapidly moving to a total economic inter dependence Many of these changes point clearly to the prophesied one world government that will dominate the globe during the great seven year tribulation period I have assembled some close friends and outstanding spiritual scholars to write about the deepening moral darkness looming on the horizon of our world I trust that what they have written will help believers in Christ to understand the times we live in but too to become more diligent about sharing the good news of salvation found only in the Lord Jesus Christ
