## **The Great Zubrick:**

The Great Zubrick William Harwood, 2003 Long after hypnotism had been reduced to a carnival act in America a stage hypnotist achieved superstar status in Australia Among the many wannabees who tried to emulate that success was The Great Zubrick who was on his way to the Big Time when he utilized alleged hypnosis to seduce a minor To escape incarceration he fled to Canada where he became as big a Name as his predecessor in Australia But no matter how much money he earned he always managed to spend more By an author who spent forty years touring with three successful concert hypnotists

**Dictionary of Contemporary Mythology** William Harwood, 2017-03-10 Hold it Sit Stay That s better No I am not suggesting that you go to the New York Times and tell them I have a book written by the devil Only he s not really the devil He s an extra terrestrial And he s not evil He s God s good brother It s God who is evil Do you think I came to you to have you put in a funny farm You re to publish my manuscript under your own name as science fiction Isn t science fiction the only format under which any sane moral philosophy could be published for the past fifty years You agree I am so glad I have to go now The Overlords are waiting to take me home

The Protestant Bible Correctly Translated William Harwood, 2017-07-21 There has long been a need for a translation of the Judaeo Christian Bible that did not deliberately mistranslate certain words and sentences for the purpose of concealing that the biblical authors beliefs were quite different from those of modern Jews Christians and Muslims For example The LORD is a falsification of the proper name Yahweh a god like Zeus or Jupiter But the most blatant fraud has been the rendering of the Hebrew word allahiym as the male proper name God Allahiym is neither a proper name nor singular nor unisexual Al means a god The suffix ah is a feminine singular inflection so that allah means goddess The suffix iym is a masculine plural inflection making allahiym a dual sex generic plural male and female gods or in the common gender gods This translation corrects such falsifications For extra copies contact [www.worldaudience.org](http://www.worldaudience.org)
